

## PERSEUS 3 — PERINI NAVI

**Судостроитель:** [PERINI NAVI](#)

**Год постройки:** 2015

**Модель:** Крейсерская яхта

**Цена:** **ЦЕНА ЯХТЫ ПО ЗАПРОСУ**

**Местонахождение:** Italy

**Длина общая:** 192' 0" (58.52m)

**Ширина:** 37' 0" (11.28m)

**Мин. осадка:** 14' 0" (4.27m)

**Макс. осадка:** 40' 0" (12.19m)

**Крейс. скорость:** 12 Kts. (14 MPH)

**Макс. скорость:** 16 Kts. (18 MPH)

Купить **Perseus 3 — PERINI NAVI** а также выбрать подходящую вам яхту из нашего каталога яхт вам поможет опытный яхтенный брокер Андрей Шестаков. На сегодняшний день компания **Shestakov Yacht Sales Inc.** имеет большое количество яхт в собственном списке продаж, а также тесно сотрудничает со всеми крупными яхтенными производителями по всему миру.

Для того чтобы купить яхту **Perseus 3 — PERINI NAVI** а также проконсультироваться по любому вопросу связанному с покупкой, продажей, чартером яхт позвоните по телефону **+7(918)465-66-44**.

# ПОДРОБНОЕ ОПИСАНИЕ

## Accommodations: Guests

Perseus^3's interior is just as impressive as her sailing credentials and her versatile accommodation arrangement makes her well-suited to charter. Across her five spacious suites she can sleep up to 12 guests, with cabins comprising a full-beam master suite with a private lounge and study, two VIP doubles, and two twins with additional pullman berths - all of which are en-suite and have integrated audio-visual entertainment systems. On deck, guests can enjoy a 6000L swim-in-place heated pool situated on the expansive foredeck, her large flybridge with cushioned sun pads, sofas and a BBQ for casual dining, offers incredible elevated views. A great vantage point to safely enjoy the sailing. In the main cockpit, more formal al fresco dining can be enjoyed in the cockpit at a 12 seat dining table, which is sheltered from the elements by a curve of glass which also encloses the exterior lounge. The cockpit also features full audio-visual entertainment and a misting system in order to keep cool on the hot summer days. The open aft deck with fold down swimming platform is perfect for enjoying water sports and swimming whilst in secluded anchorages. GENERAL The Owner and guest areas are approximately on the same deck-level as the crew quarters, and can be reached via central staircase leading down from the main saloon area. Direct access to the crew is via a guest-crew corridor located at the forward section of the Guest area. The following esthetic features will be shared by all Guest/Owner areas except where specified differently: Cabins

- Wall lining in wood veneered panels
- Porthole recesses in wood veneer
- Non-reflective satin finish lacquered ceiling panels with wooden edge trims
- Carpet floors with carpet underlay
- Wood veneered doors
- Furniture internal veneered in wood
- All beds have wooden leeboards and bases, with foam mattress
- Quilted headboard upholstered in leather
- Portholes provided with roman blinds on tracks and sheers electronically maneuvered
- Lutron lighting system - Ceiling lights, headboard lights and night lights
- TV recessed in wall
- Hotel type digital safe

### Bathrooms

- Wall lining in wood veneered panels
- Floor in wood veneered planks
- Non-reflective satin finish lacquered ceiling panels
- Wood veneered doors
- Shower stall in white Corian with non-slip grating, edge foot rest in corner, toiletries recess; door in tempered glass, shower tap with fixed spout and hand shower chrome finishing, shower flooring in Corian.

- Internal finishing of wardrobes and drawers in wood veneer
- Washbasin top and splash board in marble
- Undermounted white ceramic oval washbasin with water traps in view under counters and not hidden behind paneling.
- Washbasin taps: with chrome/nickel finish
- Bathroom accessories with chrome/nickel finish
- Brushed stainless steel, Jets-supply WC with wooden seat and seat cover wall mounted.
- Electrically heated towel rails
- Lutron lighting system - ceiling lights, and lighting over mirrors

#### Twin Bed Cabin and Bathroom (Port/Stbd Forward): Cabin

- Two single beds (can be moved together to make double)
- One retractable bed from the ceiling (pullman)
- Drawers under the beds
- Two (2) night table with drawers next to beds
- Two (2) wardrobes with clothes-hanging bars, shelves and one with a mirror
- Access door to the bathroom
- TV recessed at wall
- Small desk/vanity with chair

#### Bathroom

- Washbasin top and splash board in marble
- Under-mounted washbasin in ceramic
- Cupboard with shelves and mirror over the washbasin
- Cupboard under the washbasin with cabinets with louvered doors
- Brushed stainless steel Jet WC with seat cover and sanitary shower
- Shower stall (as described above)

#### Double Bed Cabin and Bathroom (Port Mid):

##### Cabin

- Double bed
- Drawers under the bed
- Two (2) night tables with drawers
- Two (2) wardrobes with clothes-hanging bars, shelves and a mirror
- Access door to the bathroom
- TV recessed at wall
- Small desk with chair

##### Bathroom

- Washbasin top and splash board in marble
- Under-mounted washbasin in ceramic

- Cupboard with shelves and mirror over the washbasin
- Cupboard under the washbasin with cabinets with louvered doors
- Ceramic Jet WC with seat cover and bidet
- Hot tub

#### Double Bed Cabin and Bathroom (Stbd Mid): Cabin

- Double bed
- Drawers under the bed
- Two (2) night tables with drawers
- Two (2) wardrobes with clothes-hanging bars, shelves and a mirror
- Access door to the bathroom
- TV recessed at wall
- Small desk with chair

#### Bathroom

- Washbasin top and splash board in marble
- Under-mounted washbasin in ceramic
- Cupboard with shelves and mirror over the washbasin
- Cupboard under the washbasin with cabinets with louvered doors
- Ceramic Jet WC with seat cover and bidet
- Shower stall

#### Corridor From Guest Cabins To Master Cabin (Aft):

- Central staircase up to the main saloon
- Technical storage area under the staircase
- Storage cabinet along the corridor for linen
- Two (2) access doors to Owner's suite, electric operated
- Four (4) access doors to the Guests' cabins
- One (1) access door to the crew area corridor

#### Master Suite:

The Owner's quarters will be positioned aft with access from the guest corridor via two doors. The cabin, if necessary, can be divided in two separate ones. Detailed description of each area is following:

#### Owner's Cabin

- Central Queen size bed
- Two (2) night tables
- Low cabinet between the two entrance doors and TV on top
- Coffee table, one armchair and a ottoman, port side small lamp table
- Low cabinet at forward bulkhead and TV on top on hi-low mechanism
- One (1) desk / dresser with chair

Separating wall will be positioned in this area when the cabin is divided:

- One (1) large seating area with one 2-seats sofa, (if necessary it can be extended to a double bed)
- Sliding doors to walk-in closets
- One (1) desk with arm chair

Owner's dressing:

- Two (2) doors: one port to portside bathroom and one starboard to starboard bathroom
- One (1) big wardrobe and two (2) separated low cabinets
- Hotel type digital safe port side
- Central sliding panel separating the dressing if necessary

Owner's bathroom (starboard):

- Washbasin top and splash board in marble
- One (1) under-mounted ceramic washbasin
- Large mirror over the washbasin
- Cupboard under the washbasin
- Steam shower with two (2) seat bench
- Ceramic Jets-supply WC with wooden seat and seat cover
- Bidet

**Owner's bathroom (portside):**

- Washbasin top and splash board in marble
- One (1) under-mounted ceramic washbasin
- Large mirror over the washbasin
- Cupboard under the washbasin with cabinets
- Jacuzzi tub and retractable hose shower
- Brushed stainless, Jets-supply WC with wooden seat and seat cover
- Bidet

AFT COCKPIT Cockpit Area:

- Teak planked deck with edge coaming
- Ceiling in white lacquered panels
- Fixed glasses will be provided all around the aft sofa, up to halfway to deck head
- 3 sofa arrangement (2 x two-seat and 1 x four-seat aft) with curved edge tables on both sides of the larger aft sofa and 2 curved edge coffee tables in the center
- One (1) central oval dining table extendable 8-12 seats with 12 chairs
- One (1) low central hutch for service to the living and dining area and incorporating TV with lifting and swivel mechanism
- A system for mist air solution will be provided around the deck head

- From the aft cockpit there are two sliding doors leading into the saloon through two (2) entrances: the doors will be with stainless steel frame and large central glass panel, electrically and manually operated with key less entry system
- Cushions in semi-closed foam and upholstered with vinyl and slip on covers in Sunbrella fabric
- Strata glass enclosure screens fitted to the structural roof with bolt rope track

#### Owners/Guest Day head (starboard):

- Floor in wood veneered planks
- Ceiling same as Owner/Guest areas
- Furniture same as Owner/Guest areas
- Washbasin top and splash board in marble
- Cupboard under the washbasin with cabinets
- Mirror
- Ceramic Jet WC with wooden seat and seat cover
- Access door to door external finish as per superstructure

#### Access Area To The Engine Room (portside)

- Portside staircase to the flybridge
- Under flybridge staircase access door to engine room emergency escape

#### Aft Deck Area:

- Life raft storage areas
- Four (4) sun beds in teak with cushions upholstered with vinyl and slip on covers in Sunbrella fabric
- Three (3) small teak side tables
- Two (2) screw in stainless umbrella stands with teak umbrellas, with Sunbrella canopy

## Accommodations: Main Saloon

MAIN SALOON: The saloon and communicating areas for Owner and guest use, will have the same finishing as already described above, unless otherwise specified. The saloon will be accessed by two watertight sliding doors. Living area:

- Two (2) long storage cabinets with doors starboard and port side
- Two (2) 6 seat L-sofas starboard and port side
- Two (2) central coffee tables
- One (1) central squared sky light with black-out blinds electrical operated
- One (1) screen TV at fore bulkhead
- Large central staircase down to the Owner/Guests' area
- Forward central staircase up to the flybridge
- 60 bottle climate controlled wine storage

### Lounge Area (portside):

- One (1) 4-seat L-sofa (portside outboard)
- One (1) arm chair

### Pantry (portside forward):

The pantry will be accessed via a sliding door and it will include the following characteristics:

- Wooden planked floors
- Cupboard with shelves
- One (1) Miele marine-typ refrigerator under counter
- One (1) stainless steel under-mounted sink provided with mixer-tap, and Zip tap
- Ice-maker Hoshizaki
- High speed Miele dishwasher
- Juta coffee machine

### Wheelhouse:

- Aft bulkhead fitted with cabinet incorporating at port side the electrical panel two (2) glazed sliding doors will lead to the main saloon provided with black out manual and foot sensor buttons opening
- One (1) command consoles starboard (hidden)
- Touchscreen control panel with four (4) monitors
- Charting table with one (1) monitor
- One (1) two seats sofa
- One (1) electric pantograph door to side deck - key less entry system
- Stairs down to forward crew accommodation
- Flag and locker with subdivisions
- Skylight at ceiling with black out blind electrical operated
- Two (2) desk corners with chairs in leather

### Forward Living Relaxation Area:

- One Endless Pools® 6000L fresh water exercise pool (heated)
- Two (2) sunbeds teak
- Two (2) small teak side tables

### Forward Area:

- Two (2) liferafts
- One (1) tender in dedicated under deck well
- One (1) under deck tender well (no tender)
- One (1) crane in dedicated well

### Flybridge:

- Teak planked deck with coaming
- Two (2) outdoor steering station and consoles with Plexiglass covers
- Two (2) carbon finish steering wheels (port & starboard)
- Two (2) helm seats upholstered in vinyl or fabric in front of the steering wheels
- Companionway hatch - electric top, manual front leaves - with top sliding from aft to fwd and front opening outwards. Leading down to the wheelhouse access corridor
- Two (2) aluminum structural built-in cabinets, one refrigerator, sink, storage
- Removable forward and lateral clear screen cover
- Removable awning forward and aft area to be attached at roll bar
- Four (4) squared fixed skylight to illuminate main saloon, fitted with anti-skid
- Two (2) L-shaped corner sofas (port & starboard) each with built-in teak edge trim
- Two (2) extendable tables, on raising mechanisms
- Structural roll bar for main boom control
- Large aft sunbathing area with cushions upholstered in vinyl and with slip on covers in Sunbrella
- Gas cooking grill

Steering Compartment (aft peak): The steering compartment (aft peak) is accessed from the lazarette via a separate area with technical cabinet with shelf space above. This space is finished similar to the lazarette and a removable panel allows for maintenance access.

- Metallic trimming in stainless steel
- Gloss white paneled ceiling
- One (1) door accessing the space. Care to be taken in arranging a de-mountable door frame on one (1) door for equipment removal
- Floor in non-slip (diamond-plate) aluminum panels screwed down in oil proof rubber gaskets in all technical spaces otherwise mentioned herein
- Two (2) angular storage shelves lined with non-slip vinyl material
- Shore power connection cables, on reel
- Mooring winch motor electrical control panel
- Emergency generator
- Mooring winch electrical control panel
- Various machineries
- Nitrox/Air dive compressor

Lazarette:

- Metallic trimming in stainless steel
- Wooden division wall from the aft peak lined in plastic laminate
- Gloss white paneled ceiling
- Cabinets at aft bulkhead in wood lined in plastic laminate
- Aluminum collars will be arranged to stow ten (10) diving bottles in close proximity to Nitrox compressor
- One (1) Miele Marine industrial grade washing machine (6.5 kg load)
- One (1) Miele Marine industrial grade drying machine (6.5 kg load)

- One (1) large ice-maker
- One (1) shell door for access to the sea with locally situated hand-shower for hot/cold water
- Retractable manual service boom/crane at ceiling max load 400 kg
- Lighting will be provided by means of recessed ceiling lights
- Structural staircase up to the main deck with teak step treads
- Two (2) wooden doors lined in plastic laminate
- One (1) sliding watertight door access C.P. room on portside
- One (1) door in Control room partition to stop humid air coming in from lazarette
- One (1) cabinet full height for AV/IT equipment

## Mechanical

---

Engines: 2 x MTU 8v 2000 M72; Diesel, Four stroke Combined power of 1440KW @ 2250rpm, 966 Hp6900hrs @ 27 Feb 2020

Propulsion: 2 x sea-water lubricated Kamewa feathering controllable pitch stainless steel SAF 2205 shafts with 2 x 3 bladed Ni/Br/AL bronze propellers of approx. 1500mm  
and Fuel Usage: Cruising Speed: 12.5 knots (Range 3500 nm) Max Speed: 15.5 knots  
Fuel Usage: 149 liters/hour (excluding generators)

Gearbox: 2 x ZF 3350 – Reduction ratio 4727:1

Steering system: Marsili, twin rudder

Bow thruster: 1 x 110KW Voith 550-110 retractable thruster

Generators: 3 x Northern Lights M1064H 90KW Port – 10900hrs, Centre – 10900hrs, Stbd – 10900hrs (27 Feb 2020)

## Emergency

generator:	1 x Northern lights 26Kw 20/400-3-5017hrs @ 15 May 2019
Electricity:	400V/50Hz 3-phase for Machinery 230V/50Hz 1-phase for lighting and low power machinery 24V DC – Emergency Lighting, Signaling circuitry, Electronic instruments & alarms 4-wire insulated neutral for 400/230V AC 2 x conductors with insulated negative for 24V DC 110V/AC 60hz 1-phase
Sockets:	Europlug Universal 400V & 230V USA universal 110V in guest areas
Shore power:	2 x 30m shore cables
Batteries:	AGM maintenance free gel batteries with Mastervolt rectifiers 2 x 24V gel battery groups – Main engine start 3 x 24V gel battery groups – Generator start 1 x 24V – 400Ah gel battery group – service 1 x 24V – 200Ah gel battery group - Emergency Radio 1 x 24V gel battery group – emergency generator start 1 x 24V – 400Ah gel battery group – Emergency circuit
Hydraulic unit:	REVA 1 x AFT Multi user Power pack – Shell door, swim platform, passerelle, side boarding ladder and aft deck capstan winches. 1 x FWD Multi user power pack – Pit winches, Vang, Cunningham, Windlass's, fwd winches, staysail & main feeders Independent packs for each: Crane, Tender bays, blade sheet feeders.
AC technical:	Condaria 96000 Btu/h (refrigeration Units) 1 x Compressor groups 1 x Sea cold water pumps 1 x chilled/Hot water pumps
AC general:	Condaria WM18000 2 x compressor group 2 x sea cold water pumps 2 x chilled/ hot water pumps
Compressors:	2 x Compare hydrovane HV02 2.2kW 10 bar
Water makers:	2 x Idromar MC12S 12000L/24h each, 50micron sand filter
Water system:	Idromar 10 Micron filters, Idromar 8000L/h UV sterilization lamp. 2 x 400L water boilers, 2 x Wilo Z-30 hot water circulation pumps 2 x ACM 312 BT with driver control 400V AC

Black/grey water Jets vacuum, 2 x 3Kw pumps, grey water using Evac boxes system:

Sewage treatment: Selmar Blue sea 7000L/day

Bilge treatment: Facet CPS-3,2E + EBM14x1 700L/hour

Fuel purifier: Alfa Laval MAB 103 B24

Fuel filters: Racor

Pumps: 2 x ACM 311BT – fuel transfer pumps  
1 x Excelsior 2 –hand fuel transfer pump  
2 x PQ30 – mineral oil transfer pumps  
3 x Gianneschi ACB 531/C –Fire, Emergency fire and bilge

---

## Navigation - Communication

---

### Navigation:

Magnetic Compass: Sperry Marine Jupiter Magnetic compass + Fluxgate sensor

Gyro Compass: Sperry Marine MK1

Auto pilot: Sperry Marine Navipilot 4000

Radar: 2 x Sperry Marine 4' x band, with chart over lay

BNWAS: Sperry Marine

Echo sounder: Sperry Marine ES 5100 / B&G

---

Speed log:	Sperry Marine naviknot / 2 x B&G
DGPS:	Saab R5
AIS:	Saab R5
Sailing Instruments:	B&G WTP3
Navtex:	Furuno navtex NX-700 paperless
Ship security alert system:	Sailor TT6120 SSAS
Chart plotter:	2 x Sperry Marine total watch ECDIS
Displays:	5 x Sperry 22.5" monitor (bridge), 2 x KEP marine 22.5" display (fly)
Searchlights:	2 x spreader mounted, remotely operated
Monitoring System:	Ships monitoring system to manage over 3000 data points
Infrared camera:	FLIR
Communication Equipment:	
VHF:	3 x Sailor 6222 DSC, 3 x remote hand set (2 x flybridge, 1 x laz)
MF/HF:	Sailor 6310 MF/HF 150W DSC
Sat C:	Sailor 6110 mini-C GMDSS pack, with printer
Fleet broadband 500:	Sailor 500 Fleet
Sat phone:	Iridium Portable handset with charging dock station

Intercom: Interphone with 2 control units

VOIP based switchboard with a max of 24 intercommunicating sockets and 8 incoming lines.

24 Sockets for: 1 Master (Programming) Cisco 24Key Phone 9 Cisco 24Key Phones  
Telephone: 7 Cordless Cisco Phone with 7 DECT antennas 1 Door Phone with 2 cables arrangement for 2nd door phone 2 Sockets for Fax/Printer

Will be provided with Incoming Lines for: 2 Shore Lines 2 Satcom Lines 1 GSM Lines 1 Iridium Docking Station 1 Spare 1 flashing light indicator in engine room

VSAT: 12Mbs/sec download capability

Ethernet  
LAN 24 port switch Kerio system  
network:

WiFi: Wireless system through out yacht, antenna on mast to pick up WiFi from marina when available.

MCA 2 x Epirb 406mhz with hydro release 2 x Sart Sailor 2 x Sailor GMDSS handheld  
(GMDSS) VHF radio

## Sails & Rigging

Spar: Future fibers, carbon constructed, with 5 spreaders Future fibers rig load monitoring system throughout with computer display. Locking system

Rigging: Outer stay, forestay and removable inner stay – PBO, Shrouds and diagonals – solid carbon D1's forward – Nitronic 50 The outer and inner stays offer real time adjustment

Boom: Carbon construction, with carbon mandrel for main sail furling system

Main  
boom

traveler arch: Arch on flybridge for main sheet traveller – aluminium with carbon cladding.

Sails material: Main, Blade, Reacher and Staysail - Doyle STRATIS, carbonSpin staysail – Doyle AramidCode-0 – TechnoraA2, A3.5 – Dyneema

Sail sizes: Main – 804m<sup>2</sup> (battened)Blade - 700m<sup>2</sup> (vertical battens)Reacher – 1,160m<sup>2</sup> (furling)Staysail - 395m<sup>2</sup> (furlingSpin Staysail - 695m<sup>2</sup> (top down furling)Code 0 – 1,828m<sup>2</sup> (top down furling)A3.5 – 2,140m<sup>2</sup>A2 – 2,586m<sup>2</sup>

Total sail area: 10,308m<sup>2</sup> (110,954 ft<sup>2</sup>)

Running rigging: Marlow (custom)

Deck winches: 2 x Harken 1135 3-speed (hydraulic)2 x Harken 1140 3- speed (hydraulic)2 x Harken 1150 3-speed + backwind (hydraulic)

Captive winches and furlers: Reacher, Blade and staysail furlers below deck2 x main sheet1 x main halyard2 x blade sheet2 x Staysail sheet2 x runner2 x runner control line

New Sails: Main Sail by North Sails (2020)  
Reacher by North Sails (2020)

## Deck Equipment

Anchor windlasses: 2 x Officina Nanni vertical axis anchor windlasses, with stainless warping bells. Controlled by wireless remote control, or back up wired controllers

Kedge anchor: Fortress with 20m chain

- Anchors and chain: 2 x Pool-TW 540Kg, certified fully balanced 2 x 165m -24m diameter galvanized steel navel chain (grade U2)
- Crane: C-Hydro model 12.5 carbon fiber launching crane, MWL 1890
- Boarding ladder: 1 x Automatic Hydraulic (Pincraft) with lights
- Passerelle: 1 x telescopic, slewing (Pincraft)
- Swim platform: 1 x at transom with structural stairs, polished stainless rails and shower. Swim ladder and tender bumper pads
- Shell door: Hydraulic shell door with stainless rails and hand held shower, swim ladder and bumpers for tender.
- Awnings: Fly bridge fixed bimini stamoid (with lights) Flybridge shade (bimini to arch) Flybridge aft shade (arch to 2 carbon support poles) Aft deck – 2 x royal botannica umbrellas square 2.5m x 2.5m
- Watertight hatches: 1 x fwd for garbage locker 1 x Fwd for Forepeak access 1 x Fwd 2 x tender garage 1 x crane 2 x storage by pool 1 x Fwd crew escape 1 x Aft crew escape 1 x side Laz entrance( hydraulic sliding) 1 x Lax entry Aft
- Boat hooks: 2 x 5m carbon boat hooks
- Windshield wipers: 5 x Spelch, Gallinea, wheelhouse
- Fenders: 10 x pro-stock inflatable fenders PF-8 with covers 2 x Prostock marine inflatable fender PF-14 with covers
- Mooring lines: 6 x 30m 38mm Marlow super yacht dock line 3 x 50m 38mm Marlow super yacht dock line 6 x weighted heaving lines

## Entertainment Equipment

- General:** Plex on demand audio/video server accessed through apple TV, available in all areas Wifi access to connect to apple airplay or Sonos system for audio playback.
- Aft cockpit:** 1 x Samsung High Definition LED Display 55" 1 x Extron Long distance HDMI Twisted Pair Receiver for TV 1 x Lift and swivel mechanism 8 x Sonance Weatherproof 6.5" (16cm) in-ceiling speaker 1 x Crestron Isys™ 2.8" Handheld WiFi Touchpanel 1 x C&C Custom Keypad 8 button 1 x Crestron Interface for Apple iPod® w/Video
- Main saloon:** 1 x Samsung High Definition LED Display 75" 1 x Extron Long distance HDMI Twisted Pair Receiver for TV 5 x Sonance 2 way in ceiling speaker - Tweeter: 1" silk dome, ferrofluid-cooled, pivoting, in acoustic back chamber - Woofer: 6 1/2" carbon fiber cone 1 x Sunfire Active Subwoofer 1000W 1 x Crestron Interface for Apple iPod® w/Video 1 x Crestron Isys™ 2.8" Handheld WiFi Touchpanel 1 x Crestron Touch panel control 1 x Cisco Wireless Access Point POE 1 x Aux plug for Piano
- Dining room:** 1 x Samsung TV LED 40" 1 x Extron Long distance HDMI Twisted Pair Receiver for TV 2 x Sonance 2 way in ceiling speaker - Tweeter: 1" silk dome, ferrofluid-cooled, pivoting, in acoustic back chamber - Woofer: 6 1/2" carbon fiber cone 1 x Crestron Interface for Apple iPod® w/Video 1 x Crestron Isys™ 2.8" Handheld WiFi Touchpanel 1 x Crestron Touch panel control 1 x Wii with 2 wireless controllers
- Wheelhouse:** 1 x Alpine CD Receiver with Bluetooth 2 x Clarion 16.5cm water resistant performance series coaxial speaker, magnetically shielded
- Pool area:** 2 x Sonance Weatherproof 6.5" (16cm) in-ceiling speaker
- Fly bridge:** 8 x Sonance Weatherproof 6.5" (16cm) in-ceiling speaker 1 x Aux input 1 x C&C Custom Keypad 8 button 1 x C&C Custom Keypad 2 button

## Safety & Fire Protection

Safety: 4 x 12man inflatable life rafts 6 x life rings (2 with smoke and light, 2 with line) 2 x Jonbuoy MB recovery modules 4 x rocket line throwers 1 x hand held water maker 1 x signaling lamp 6 x PLB EPIRB 6 x Personal AIS MOB senders 2 x Steiner binoculars commander global 7 x 50 1 x MCA glabal med kit (offshore) - Medaire 1 x Phillips Defibrillator 1 x tempus unit 12 x Icom UHF radios 3 x Icom hand held VHF 1 x pilot/liferaft boarding ladder 36 x Crewsaver SOLAS approved inflatable lifejackets 1 x load hailer 1 x set of flares (6 rocket, 6 handheld red, 2 smoke)

1 x general alarm system

Panasonic Recording CCTV system with camera lenses:

- 2 x mast spreaders
- 1 x mast head
- 1 x engine room
- 1 x cockpit

Security:

Key pad passcode access panels for entry points:

- Crew hatch
- Saloon
- Side door wheelhouse

Fire: 1 x Novec fixed fire suppression system (Engine room) 1 x CO2 fire suppression system (Galley hood) 1 x sprinkler system through out accommodation deck 2 x BA sets, with fire suits, 4 air cylinders 1 x fire axe 2 x fire hand lantern 53 x fire extinguishers (distributed) 2 x fire pump ACM 651 BT 8 x fire hoses 7 x fire hydrant points

## Comments

---

Perseus is nearly finished with her 5-Year ABS special survey and in January 2020 she will be ready to go for another 5 years. In addition to the ABS survey, she will also come out of this yard period with a full new paint job including her mast. Her rig and rigging have been inspected and refreshed by Southern Spars and a new Main and Reacher have been added to her already impressive sail wardrobe. She is truly ready to go.

A detailed list of excluded art and personal belongings will be provided upon request.

## Исключения

---

При продаже яхты исключаются личные вещи владельца.
