DETAILED INFORMATION

Manufacturer Provided Description

The perfect complement to the 300, the 310 Walkaround exemplifies the Intrepid traditions of uncompromising design, comfort and legendary quality. From the spacious cockpit to the ultra-wide walkaround boat deck, everything exudes Intrepid's commitment to top-notch quality and well-thought out design. The contemporary L-shaped forward seating on deck is comfortable and convenient, while an enclosed shower, optional head and galley below showcase the uncompromising luxury features of Intrepid. The perfect family cruiser for day trips or weekends onboard, the 310 Walkaround is the smallest Intrepid featuring cabin class comforts. The signature smooth, dry ride of the 310 Walk is the result of Intrepid's trademark technology and creative innovations: a transverse stepped hull design to smooth out the ride, vacuum-bagged, hand-laid knitted uni- and multi-directional fiberglass laminates, foam-cored hullsides, transoms, deck liners and wood-free construction, unprecedented strength, rigidity and safety all while shedding performance-robbing weight.
