## Overview

---

This meticulously maintained 2017 26 Crevalle is ready to go for summer. She has been garage-kept since new, and it really shows. She has very low hours on her reliable Yamaha power. Offering all you could ask for in versatility, you can spend all day offshore, inshore, or just relax with a cool beverage on your local sandbar. Her twin, large-release well configuration can keep your catch frisky for the entire day, or, you can use them as extra livewells for a long day offshore. She also sports a livewell forward of the console to keep your baits healthy. There is tons of storage throughout the boat so you will never be short on supplies. The large console allows for easy access to the electronics panel and batteries. Two coolers will keep your refreshments cold and separate from your catch cooler. She has plenty of comfortable seating and creature comforts for entertaining your friends. **Yamaha Warranty Through 1/5/2022**. Call today and schedule your showing. INCLUDES 2017 ROAD KING TRAILER.
