Speed, Capacities and Weight

Cruise Speed: 28 Kts. (32 MPH)

Max Speed: 31 Kts. (36 MPH)

Water Capacity: 262 Gallons

Fuel Capacity: 1321 Gallons

Accommodations

Total Cabins: 4

Total Heads: 4

Crew Cabin: 1

Crew Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: MTU

Model: M92

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

Refined, sporty exterior lines, spacious interiors, comfort and ease of handling characterise the Ferretti 720. The model, developed by the working relationship between Studio Zuccon International Project, AYT - Advanced Yacht Technology, the Group's naval research and design centre, and the team of architects and designers at Centro Stile Ferretti Group, originates from the innovative concept of which Ferretti 800 was the first example. A perfect balance between the classical-contemporary style and a modern taste for interiors, combined with a high impact design. A winning, sporty boat with wide interior spaces, a concept roll bar with an integrated bimini top, and continuous glazing right along the main deck that lights up the salon, as the open views fitted in the hull, to which large windows have been added for guest and VIP cabins. Inside the Ferretti 720 features generous spaces, further enlarged by the natural light, and offers excellent liveability, typical of yachts measuring well over 70'.

Main Deck

- Access to the aft platform through a folding door
- Access to the crew area through a GRP hatch and ladder in the stern bench
- Access to the engine room through dedicated hatch
- Access to the flybridge through GRP and teak steps, stainless steel handrail

- Aft handrail with (2) side cleats
- Aft platform with incorporated diving steps, locker with electric opening and storage
- Aft sliding door and tilt window, both with stainless steel frames
- Aft storage bench with 3-seat sofa and storage
- Boarding FRP gate
- Boat hooks (2)
- Bow hawses
- Bow pulpit with side rails
- Bow thruster (15,5 Hp)
- Bruce style anchors kg 30 (2) with 2 chains (mt 75 and mt 100), diameter 12 mm
- Canopies for protection of front and side windows, black
- Cockpit chairs (4)
- Cockpit lights
- Cockpit sink with fresh water
- Cockpit table in teak with incorporated chair storage space
- Echo transducer moved on aft
- Electric windlass 2300 W (2) with controls on foredeck, bridge and flybridge

- Extensible stainless steel and teak gangway with remote controls (2) and automatic stanchions
- External acoustic alarm for bilge water level fore and aft
- Fairlead in the forepeak
- Fenders (8) and spherical fenders (2)
- Firefighting hose and chain wash down with sea water
- Foot-controlled electric windlasses (2 x 700W) in the stern mooring stations
- Hatch accesses to forepeak (2)
- Left-side storage
- Lights on sidewalks (couple)
- Mooring lines of mt 12 (4)
- Mooring lockers with cleat GRP cover, lines storage
- Perimetrical curtain rod for canopies
- Primer coat under antifouling
- Pull handles in the engine room (engine and generator shut down, activation of fire extinguishing system)
- Rubbing strake: stainless steel for spoiler and side exhausts
- Shore line cable 230 V mt 15
- Shower with hot/cold water at transom
- Side exit door
- Stainless steel deck hardware
- Stainless steel handles
- Stainless steel mooring cleat: at stern (4), at midship (2 for each side) and at bow (3)
- Stereo loudspeakers in the cockpit (2)
- Stern roller fairleads (2)
- Sunlounge pad at bow with sunbathing cushions
- Teak deck floor
- Warp fairlead at bow
- Warp fairlead at stern

Salon

- Aft sliding door and tilt window, both in stainless steel frame
- Air conditioning
- Cabinet with shelves
- Electric raising device for TV
- Fully fitted carpets
- Hi-Fi system
- I-Pod docking station
- Roman blind (single) on side windows
- Salon area (L-shaped sofa, armchair, corner table and a smoking table)
- TV 40" (60Hz)

- TV SAT receiver HD
- Venetian blinds (aft sliding door)
- Dining area
- Access to dinette (sliding door)
- Air conditioning
- Cabinets with shelves
- Chairs (8)
- Fully fitted carpets
- Glass dining table
- Porthole
- Dinette
- Access to dining area (sliding door)
- Access to the lower deck (wooden staircase)
- Air conditioning
- Fitted carpet
- Side window with tilt opening
- Sliding door to the galley and wooden steps
- Sofas with wooden table (2)
- Storage compartment

Galley

- Access to dinette (sliding door)
- Access to main helm position (sliding door)
- Air conditioning
- Cabinets with shelves
- Ceramic cooking top
- Complete set of ceramic crockery and plates, glasses and stainless steel cutlery, for 12 people
- Corian® work counter top
- Dishwasher
- Electrical panel
- Exit to deck (side door)
- Extractor fan 60Hz
- Fridge 60Hz
- Hatch
- Mini Hi-Fi CD
- Oven 60Hz
- Overhead lockers
- Stainless steel sink with hot/cold fresh water
- Vinyl wooden floor

Main Helm Position

- Access to galley (sliding door)
- Air conditioning
- Automatic pilot with LCD display
- Barometer, clock and hygrometer
- Cabinet with drawers (2)
- Cigarette lighter 12 V outlet
- Control station with full instrumentation
- Electric steering
- Electronic controls for engine clutch and throttle with easy-dock and auto-troll functions
- Electronic digital chain counter
- Fully fitted carpet
- Helmsman seat, manually folding
- Instant parallel battery
- Integrated monitoring system touch-screen
- Magnetic compass
- Multifunction navigation system
- Radar, chartplotter and GPS with LCD colour display
- Rudder angle indicator
- Side exit door
- Synoptic switchboard with visual and acoustic alarms
- VHF
- Windshield wipers with washers and timer (2)

Fly Bridge

- Access to cockpit (fibreglass and teak steps, stainless steel handrail)
- Antenna empty dome for symmetry (American version)
- Cover for helm console, helmsman seat, sofa, table and wet bar)
- Detachable and directable spotlight
- Electrohydraulic davit for aft platform and flybridge (capacity load 400 Kg)
- Extendable table
- Fibreglass radar arch
- Flag pole
- Fully fitted cabinet with storage and sink
- Housed life-buoy with floating lifeline and luminous buoy
- Life jackets (12)
- Life rafts compliant to American requirements (6+6)
- Lights on the fly
- Navigation lights
- Plexiglass and stainless steel front deflector with side panels

- Radar antenna open array
- Salon and cockpit stairs skylights (2)
- Sofa with storage
- Sofa with storages underneath and double sided seats towards bow with folding backrest
- Stainless steel signal/flag mast
- Sunlounge pad at stern with sunbathing cushions
- TV Antenna
- Warning horn with compressor
- Waterproof loudspeakers (2)
- Main helm position
- Automatic pilot
- Electric steering
- Electronic compass
- Electronic controls for engine clutch and throttle with easy-dock and auto-troll functions
- Electronic digital chain counter
- Helmsman seat
- Instrument panel with electric opening
- Mini Hi-Fi CD, watertight
- Multifunction navigation instrument repeater
- Outlet 12 V
- Radar/plotter repeater
- Rudder angle indicator
- Second control station with instrument and alarms
- VHF

Lower Deck

Cabins companionway:

- Access to the main deck area through wooden steps
- Fully fitted carpet on floor

Master cabin:

- Air conditioning
- Bedside cabinets with drawers (2)
- Chest of drawers
- Double bed with mattress, pillows and bedspread
- Drawers underneath the bed
- Fully fitted carpet
- Hi-Fi system
- Hull window with side openable stainless steel portholes (2) and roll-up covers

- I-Pod docking station
- Mirror
- Reading lights (2)
- Roman blind (single)
- Safe
- Sliding doors to bathroom
- Sliding wardrobe closet
- Soundproof bulkhead abaft
- TV 32" (60Hz)
- Upholstered bed headboard
- Ventilation under the bed
- Walk-in wardrobe with inside mirror, shelf

Master bathroom:

- Cabinets with shelves
- Design washbasin in Corian®
- Electric ceramic WC in separate area closed by satin glass partition
- Fabric Venetian blinds
- Hull window ((2) openable portholes in stainless steel and roll-up covers)
- Overhead lockers and shelves
- Pouf
- Shower with glass door, wooden tray and bench, locker with shelves, glass wall
- Sliding doors to master cabin
- Sliding mirror
- Teak floor, mat finishing
- Toilet roll holder in tube
- WC control panel with gauge (3/4 and full)
- VIP guest cabin at bow
- Cabinets with shelves
- Docking station per Mini Hi-Fi
- Double bed with mattress, pillows and bedspread
- Drawer underneath bed
- Escape hatch
- Fully fitted carpet
- Hull windows (2) with stainless steel porthole
- Mini Hi-Fi CD/DVD
- Mirror
- Reading lights (2)
- Roman blind (single)
- TV 19" (60Hz)
- TV outlet, 230 V sockets
- Upholstered bed headboard
- Vanity and ottoman

- Ventilation under bed
- Wardrobes (2)

Guest cabin, left:

- Beds (2) with mattresses, pillows and bedspreads
- Bedside table with drawer
- Cabinet with shelves
- Docking station per Mini Hi-Fi
- Drawers under bed
- Fully fitted carpet
- Hull window with openable stainless steel portholes (2)
- Indirect lighting
- Mini Hi-Fi CD
- Mirror
- Reading lights
- Roman blind (single)
- Ventilation under beds
- Wardrobe with inside mirror

Guest cabin, right:

- Beds (2) with mattresses, pillows and bedspreads
- Cabinet with shelves
- Docking station per Mini Hi-Fi
- Drawers under bed
- Fully fitted carpet
- Hull window with openable stainless steel portholes (2)
- Indirect lighting
- Mini Hi-Fi CD
- Mirror
- Reading lights (2)
- Roman blind (single)
- Ventilation under bed
- Wardrobe
- Guest and VIP bathroom
- Electric ceramic WC
- Fabric Venetian blinds
- Mirror
- Overhead lockers and shelves
- Shower with glass partition
- Stainless steel openable porthole
- Teak floor, mat finishing
- Toilet roll holder in tube
- Washbasin with quartz/resin top

- WC control panel with gauge (3/4 and full)

Lobby in crew area:

- Access to main deck (fibreglass door, wooden staircase)
- Drainage for washer and drier
- Drier 60Hz
- Fully fitted carpet
- Main electrical panel
- Storage area
- Washing machine
- Crew cabin
- Bunk beds (mattresses, pillows and bedspreads) (2)
- Cabinets with shelves
- Curtain
- Fully fitted carpet
- Reading lights (2)
- Stainless steel openable porthole
- Wardrobe

Crew bathroom:

- Electric marine WC
- Handheld shower (waterproof curtain)
- Mirror
- Shelf
- Stainless steel openable porthole
- Washbasin
- WC control panel with gauge (3/4 and full)

Engine Room

- Access to cockpit (ladder in stern bench, hatch) (2)
- Air intakes with remote controlled shut off
- Anti slip wooden flooring
- Bilge pump
- Change over valves (2) to allow engines to pump water from the bilge
- Double Racor fuel filters (2) for engines
- Electric ventilation fan (2)
- Fresh-water outlet for filling and washing
- Fuel tank gauge
- Fuel tank in fibreglass lt 5000 with integrated settling tank and discharge
- Generator 120/240V 60Hz 23 KW (auxiliary)
- Generator 120/240V 60Hz 23 KW (diff from 13,5 KW 50Hz)

- Inert gas fire extinguishing system with automatic/ manual control
- Inspection lights
- Portable lamp
- Racor diesel filter for generator fuel system
- Raw water engine filters (2)
- Water filter cooling system for generator
- Watermaker
- Watertight aft soundproof bulkhead
- Watertight forward soundproof bulkhead

PROPULSION AND CONTROL EQUIPMENT

- Propulsion and control
- Bow thruster (15,5 Hp)
- Electric steering
- Fuel tank in fibreglass lt 5000 with integrated settling tank and discharge
- Shaft line transmission
- Underwater silenced exhausts
- Stabilization systems
- Trim tabs (flaps)

Electrical Equipment

- Audio-video configuration (Boat destination Country Area)
- Communication
- Antenna TV SAT (American version)
- Shore inlet for telephone and TV
- VHF (2)
- Monitoring system
- Monitoring integrated system touch-screen display
- Navigation
- Automatic pilot flybridge helm position
- Automatic pilot main helm position
- Radar, chartplotter with LCD colour display GPS with depth sounder

Systems

Fire extinguishing system:

- Fire fighting: automatic/manual system in engine room and systems area
- Portable fire extinguishers
- Pull handles in the engine room (engine and generator shut down, activation of fire extinguishing system)

- Smoke detection alarm system in the engine room
- Smoke detectors in each area (6) - salon, master, vip, guest cabin, crew cabin and thruster storage
- Air conditioning system
- Air conditioning American version (saloon, dining area, galley, master cabin, outlet in the bathrooms included)
- Air conditioning monitoring and control page: Fan coil

Electric system:

- Automatic battery charger for engine batteries 24 V
- Battery charger for auxiliary service batteries complete with switch to charge bow thruster 24 V
- Battery charger for generator
- Battery disconnecting switches: mechanical (engine room) and electronic (cockpit)
- Bow Thruster battery group 24 V
- Breaker box
- Carling Switch 100A for 240V shore supply
- Carling Switch 50A for 240V shore supply
- Cathodic protection with zinc anodes (shafts and trim tabs)
- Connecting channels from engine room to antenna area
- Electric outlets 230V throughout
- Electric panels/switchboard for American Version
- Electric system for American Version
- Generator 120/240V 60Hz 23 KW (diff from 13,5 KW 50Hz)
- Generator battery 12 V
- Glendinning 100A - 4 poles cable reeler for shore cable (20m)
- Glendinning remote control
- Ground connection for sea water intake and railings
- Ground fault interrupters 120V - 6mA (in all heads (5) + galley + engine room)
- Group of 24V auxiliary service batteries low water loss
- Group of 24V batteries for the engine starting low water loss
- Inverter 60Hz/120V for galley fridge
- Isolation transformer 15 KVA
- Isolation transformer 25 KVA
- Mechanical (cockpit) and instant (main helm position) electric battery parallel switch
- Preparation for decoder: cable 120V + F connector +
- TV SAT antenna cables in all cabins
- Preparation for TV in all cabins: cable 120V + F connector + TV antenna cables
- Shore plug 63A 230V
- Shore power GFI 100A-30mA
- Shore power GFI 50A-30mA
- Shore power socket 50A - 120/240V

- Bilge system
- Electric pump for bilge drainage in the engine room
- Electric pumps, 5 (aft platform, (2) engine room, crew area, accommodation space)
- Emergency bilge suction pipe (engine room) through engine cooling pump
- Multipurpose electric pump (bilge, grey water, blackwater)

Sanitary and water systems:

- Automatic electric pump grey water discharge system
- Black water tank: deck connection for tank pumping out (diff from STD)
- Electric WC system with fresh water
- Fresh water system 24 V autoclave pump with electronic control
- Fresh-water tank (lt 990)
- Grey water 3 way valve in galley
- Grey water tank
- Holding tank lt 330 with gauge (3/4 and full)
- Hot water system with water heater lt 80 230 V
- Independent sea water intake for air conditioning with filter
- Independent sea water intake for sea water system with filter
- Independent sea water intake for water maker with filter
- Sea water fire fighting system and chain wash down
- Waste water system with automatic electric and manual pump

Safety equipment:

- Electrical manual for American version
- Life rafts compliant to American requirements (6 + 6)
- Manual fire extinguishers
- Means of unassisted reboarding
- Mechanical parts compliant to NMMA
- Model indication plate (XFA number)

Exclusions

Owner's personal belongings.
