Overview

Beautiful is the best description for "Obsession". "Obsession's" owners have lovingly cared for this vessel since new. Outstanding pride of ownership shines throughout the vessel. If you are seeking a vessel that is ready for sea and would like to take over the "helm" from very caring owners, "Obsession" would be an excellent choice!

This beautiful vessel is fully equipped, with all gear being well thought out by her seasoned owners.

Engine and Generator are exercised monthly and so engine hrs. may be slightly more than advertised.
