## Overview

---

The Hunter 430 is built to perform with all the style and comfort you and your family deserve. Warren Luhrs and the Hunter Design Team have created a boat that is fast, easy to sail, stable and comfortable. Thoughtful touches aboard, like sail design that incorporates a fractional rig, swept back spreaders and a roller furling main. This eliminates the need for a backstay and improves sail efficiency and ease of handling. The exterior design of the 430 include a wrap-around windshield with cover, integrated main sheet arch with instrument pod, two-tone non-skid deck, walk-thru transom, and a huge cockpit with wheel steering. A slippery but stable hull design incorporates a bulb wing keel and a spade rudder. Below deck are the amenities that make Hunter famous. A huge salon with convertible dinette, gourmet galley and twin staterooms, each with enclosed head and shower. The Hunter 430 gives you all the flexibility you need in a cruising boat - whether you go for a weekend or the long haul. This boat does it all and does it well.

The Hunter 43 has 6'10" headroom; a feature found on very few vessels.
