Accommodations

Total Cabins: 2

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

The two Stateroom one head layout sleeps four; two in the forward Master Stateroom and two in side-by-side bunks in the Guest Stateroom. Salon sofa with storage underneath could serve as a 5th bunk if needed. The vessel's 14' beam allows for a roomy Salon that includes a full galley-up and the lower Helm Station, both forward in the Salon. Continue forward, and down four centerline companionway steps, to the staterooms and head. The Guest Stateroom has a pair of twin berths (with storage underneath), and a generous hanging locker. The dual entry head with separate shower stall is to starboard, directly across the companionway from the Guest Stateroom. The Master Stateroom features a centerline queen island berth (with storage & drawers underneath), two hanging lockers, multiple storage spaces and a private entry to the head.

Notable Features

- Yanmar Engine Service (Feb 2018)
- Garmin 942XS Multifunction Display - Lower Helm (Feb 2018)
- Garmin GPS Map 7610XSV 10" MFD - Upper Helm (Feb 2018)
