SPECIFICATIONS

Overview

This Pershing 80 is a USA version built with the Pershing factory design team. Gayle has an extensive options list setting her apart from all other Pershing 80's on the market. Kept under cover the first 4 years of her life, she has been Captain maintained since new. Powered with the optional 16v2000 2,400 HP MTU's, she cruises at 37 knots at 2,100RPM's, burning just over 200 GPH, with a top speed of 44 knots. The engines just had their 1,000 hour service completed. The current owner has spared no expense in keeping Gayle up to date, including re-finishing all of the floors, new Garmin electronics in 2016, new flatscreen televisions, new washer and dryer, new FLIR system, etc.

Basic Information

Category: Motor Yacht

Model Year: 2010

Year Built: 2010

Country: United States

Dimensions

LOA: 80' 0" (24.38m)

Beam: 18' 1" (5.51m)

Max Draft: 4' 7" (1.40m)

Clearance: 13' 7" (4.14m)

Speed, Capacities and Weight

Cruise Speed: 38 Kts. (44 MPH)

Max Speed: 44 Kts. (51 MPH)

Displacement: 119050 Pounds

Water Capacity: 343 Gallons

Holding Tank: 80 Gallons

Fuel Capacity: 1572 Gallons

Accommodations

Total Cabins: 5

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified Deep Vee

Hull Color: Silver

DETAILED INFORMATION

Factory Options and Upgrades

This Pershing 80 reflects Italian styling but with a minimalistic, yet comfortable feeling through out. Every option was designed with care and integrated into each space in collaboration with the Pershing design team.

- Full Body BMW pearl metallic paint
- MTU 2400HP engine upgrade
- Aft deck MTU electronic emergency control system
- Significant spare parts inventory
- Wenge wood LED star lite ceiling panels in salon
- Warm Italian color scheme in Frau leather
- Desk and chair / workstation in upper salon
- Backlit alabaster bar in upper salon
- Custom leather helm and helm seats
- Custom Leather chart station at helm
- Upgraded electronics and navigation package, PC based system with Nauticomp screens and back up GPS
- Watermaker
- Commercial size ice maker
- Leather floors in all staterooms
- Leather wrapped door handles
- Custom vanity in master stateroom
- Aft deck sun shade
- Custom galley
- Additional cabinet storage in galley designed by factory design team with granite counter tops
- Full size Sub Zero refrigerator
- SS appliances
- Storage pantry with full American laundry

Aft Deck

Aft deck cockpit has the multi-function furniture layout that converts the aft dining table into an extra sunpad. This sunpad and dining table can be covered by the large sliding hard top. The hard top can also be retracted into the super structure to allow open air dining or expose the sunpad for sunbathing.

- Access to crew quarters and engine room by means of ladder
- Built in ceiling dimmer lights

- **GRP bench with seat**
- **GRP divan with seat and backrest**
- **GRP table with electric motion**
- **GRP unit portside with access to crew quarters and engine room**
- **GRP unit starboard with fresh water sink and barbecue**
- **Hideaway sliding extendable hard top**
- **Upholstered sunpad**
- **Waterproof speakers with independent volume control**
- **Barbeque 240 v/60HZ**
- **Icemaker 120V/60Hz Raritan connected to main water tank**
- **Camera tied into screen at main helm**

Foredeck

The forward deck area on Gayle is one of the best areas onboard. The very comfortable seating area allows a different space for entertaining before dinner or a private area to relax away from guests and crew. This area has a manual bimini top to protect from the sun.

- **Deck spot LED lights**
- **Teak cocktail table**
- **GRP divan with seats and backrest upholstered**
- **Manual bimini top**
- **Mooring LED lights**
- **Waterproof speakers with independent volume control**
- **Teak Decking**

Salon

You enter into the upper salon through the electric sliding aft deck door that retracts into the floor allowing the interior and aft deck spaces to feel as one. The main deck was designed for entertaining with the custom wet bar with backlit marble. All leather and soft goods designed with the factory design team.

- **Access to the galley and crew quarters engine room by means of a stairway with wenge steps**
- **Access accommodation area by means of a stairway with wenge steps**
- **Aluminum folding chairs upholstered in Poltrona Frau leather stored in galley crew area**
- **A/V system amplifier for out side speakers and electric lifting system for TV**
- **Built in ceiling dimmed lights**

- **Ceramic dinner service for 12 people**
- **Rug underneath the divan**
- **Digitally controlled A/C system**
- **Electric rolling fabric blinds in side windows and sliding aft door**
- **Hideaway sliding hard top**
- **L shaped divan upholstered in Poltrona Frau leather**
- **Light switches**
- **Bleached oak furniture**
- **Custom oak folding high low table with leather insert**
- **Set of glasses for 12 people**
- **Stainless steel cutlery set for 12 people**
- **Strip lighting in ceiling**
- **Strip lighting in dashboard**
- **Structural GRP flooring covered in wenge**
- **Teak holder for glasses and plates**
- **Twin sliding divan upholstered in Poltrona Frau leather**
- **Fridge 120V/60hz**
- **A/V system with I pod dock**
- **42" TV with Sat reciever**
- **Sat TV KVH M7 antenna**
- **Bar with backlight marble with icemaker and fridge**
- **Desk furniture and chair on starboard side**

Master Stateroom

Master stateroom is decorated with a soft comfortable feel and large side windows looking out to the sea. Two vanity areas in Poltrona Frau leather and a large walk in closet.

- **Access to the cabin by means of a stairway with wenge steps**
- **Aft bulkhead mirror**
- **Aft bulkhead sound insulation**
- **Cabin entrance ceiling section with oak ceiling frame and light panels**
- **Leather flooring**
- **Digitally controlled A/C system**
- **Fixed side windows in ballistic crystal with built in hinged polished stainless steel porthole**
- **Hideaway vanity unit upholstered in Poltrona Frau leather**
- **Bleached oak double bed with headboard upholstered in Poltrona Frau leather and drawers underneath**
- **Fridge unit with bleached oak door**
- **Locker with clothes rail and internal lighting**
- **Strip lighting under the bed**

Master Head

- **LED light strips in over head**
- **Built in ceiling spotlight**
- **Built in polished stainless washbasin**
- **Digitally controlled A/C system**
- **Electric freshwater ceramic WC**
- **Fixed side windows in ballistic crystal with built in hinged polished stainless porthole**
- **Mosaic tile in the shower**

VIP Stateroom Fwd

The VIP cabin includes a private head and shower with optional mosaic tile and custom shower rails and fixtures. Leather floor through out the cabin gives a continuous soft feeling in the lower accommodation area.

- **Built in dimmer ceiling light**
- **Digitally controlled A/C system**
- **Double bed in bleached oak with headboard upholstered in FRAU leather and locker underneath**
- **Emergency exit to upper deck by means of skylight and hideaway ladder**
- **Hinged polished stainless steel porthole with opening lock**
- **Locker in bleached oak, clothes rail, internal light and mirror**
- **Bleached oak nightstand**
- **Reading light**
- **Strip lighting under the bed**
- **Structural GRP flooring covered in carpet**
- **Leather flooring**

Twin Guest Stateroom Port Side

- **Aft bulkhead mirror**
- **Audio system**
- **Built in circular speakers**
- **Built in ceiling spotlights**
- **Digitally controlled A/C system**
- **Hinged polished stainless steel porthole with opening hook**
- **Bleached oak nightstand**
- **Bleached oak locker with clothes rail, internal lighting and mirror**
- **Single bed in bleached oak with headboard upholstered in FRAU leather**

- **Strip lighting under the bed**
- **Leather flooring**
- **Light switches**
- **Mirror**

Twin Guest Stateroom Stbd Side

The starboard twin guest cabin was originally set up as an exercise room with only one single bed. A pullman birth above provides the second bed for the cabin. The space was used for wine storage most recently.

- **Aft bulkhead mirror**
- **Audio system**
- **Built in circular speakers**
- **Built in ceiling spotlights**
- **Digitally controlled A/C system**
- **Hinged polished stainless steel porthole with opening hook**
- **Bleached oak nightstand**
- **Bleached oak locker with clothes rail, internal lighting and mirror**
- **Single bed in bleached oak with headboard upholstered in FRAU leather**
- **Strip lighting under the bed**
- **Leather flooring**
- **Light switches**
- **Mirror**
- **TV/DVD**

Twin Stateroom Head

- **Aft bulkhead mirror**
- **Audio system**
- **Built in circular speakers**
- **Built in ceiling spotlights**
- **Digitally controlled A/C system**
- **Hinged polished stainless steel porthole with opening hook**
- **Bleached oak nightstand**
- **Bleached oak locker with clothes rail, internal lighting and mirror**
- **Single bed in bleached oak with headboard upholstered in FRAU leather**
- **Strip lighting under the bed**
- **Leather flooring**
- **Light switches**
- **Mirror**

Helm

The Gayle helm station was designed with speed and comfort in mind. It is very easy to view and access all instruments. The helm has a redundant GPS back up to the interchangeable Nauticomp screens connected to PC based noble tech system. The dashboard lay out is symmetrical with nothing out of place.

- Arneson trim joysticks
- Pilot and copilot seats upholstered in Poltrona Frau leather with double electric motion
- MTU electronic digital LCD engine control panel
- Electronic levers for engine control
- Engine room camera display
- Flaps joysticks
- Bow and stern thruster joysticks
- Helm wheel upholstered in Poltrona Frau leather
- Instrument dashboard upholstered in Poltrona Frau leather
- Magnetic Compass
- Central LCD screen with rudder angle, flaps H2O and fuel levels
- Autopilot Furuno
- VHF Furuno
- Radar antenna open array in radar arch
- Garmin twin GPS/Plotter units (New 2016)
- Multi-functioning navigation instrument Furuno (depth, speed, compass, temperature)
- LED light strips under helm
- Chart box covered in Poltrona Frau leather at port side of dashboard

Galley Crew

The galley crew area has many options and changes to provide a great work space for cooking and preparing food. The fridge was a special order much larger than standard and the crew dinette was replaced with extra counter space and storage cabinets. A professional chef would be surprised to see the galley area of this Pershing 80. The standard second crew cabin bed was very small The third crew bed was deleted and the area redesigned for extra dry storage and laundry area.

- Access from cockpit by means of ladder
- Access from salon to galley and crew quarters by means of stairway with wenge steps
- Built in ceiling spotlight
- Ceiling with lacquered frame and panels upholstered in vinyl fabric

- **Digitally controlled A/C system**
- **Door to access engine room**
- **Electrical panel**
- **Extractor fan under hanging hideaway locker**
- **Ivory lacquered shelves and internal shelving**
- **Counter tops in granite**
- **Lacquered ivory under top unit with opening doors and internal shelves and drawers**
- **Light switches**
- **Light under hanging lockers**
- **Polished matte wenge strip flooring**
- **Rubbish bin**
- **Stainless steel sink**
- **Walls covered in standard shipyard laminate**
- **Cooking top ceramic 220V-240V/60hz**
- **Oven comb 120V-60hz**
- **Dishwasher 120V/60hz**
- **Fridge and freezer full size 120V/60hz**
- **Extractor fan 120V/60hz**
- **iPod docking station**
- **MB Quart CD**
- **LED light strips under stairs**
- **Extra counter space**
- **Additional storage with custom draws**

Crew Cabin

- **Two crew beds**
- **Audio system**
- **Hanging locker**

Deck Equipment

Gayle's deck equipment includes items listed below but also includes custom radar arch design and lay out to look clean and symmetrical. All navigation equipment and antennas were USA supply with lay out and design by factory design team.

- **110m galvanized chain**
- **2500W fore windlass with waterproof control pad**
- **Access to fore locker with double hatch and closure**
- **Aft garage for tender with hydraulic hatch and launching rail with winch for tender**

- **Black water extraction cap**
- **Electric pantograph side doors**
- **External shower**
- **Fresh water fill cap**
- **Fuel fill cap**
- **Hideaway swimming ladder**
- **Stainless steel anchor**
- **GPS Antenna**
- **Hideaway sliding aft door in black painted aluminum**
- **Hinged circular stainless steel and crystal glass hatchway with handle**
- **Storage lockers port and stb side of the fore dinette with closure**
- **Side Pershing logo in silicon**
- **Side windows in tempered layered glass**
- **Stainless steel gate for cockpit entry**
- **Stainless steel handrail aft**
- **Stainless steel handrail on side of superstructure**
- **Stainless steel mooring cleat fore/center/aft**
- **Stainless steel railing with stanchion**
- **Telescopic hydraulic hideaway gangway with remote control**
- **VHF antenna**
- **Windscreen in transparent layered tempered glass**
- **Windscreen wiper washer**
- **Cover for windshield and side windows**
- **Underwater lights**
- **Navigation lights USA version**
- **Side boarding gate**
- **Compressed air outlet in garage**
- **Fresh water inside anchor locker**
- **Mooring cleats on bathing platform**
- **Canopies for protection at front and side windows**

Engine Room

Gayle is a full USA version Pershing 80 with electrical system and generators specified at construction. Shore power transformer and galvanic isolator provide clean, safe power.

- **MTU 16V2000 2400HP Engines with 984 hours**
- **1,000 hour service completed at 975 hours**
- **220V 60Hz air compressor**
- **A/C pump**
- **Access to engine room from crew quarters**
- **Coupling joint between adapter and Arneson flange**

- **Dynamic air intakes**
- **Electric extractor fans**
- **Engine exhaust silencer**
- **Hydraulic steering oil tank**
- **Hydraulic unit for bow and stern thrusters**
- **Light alloy waterproof door**
- **Light switch**
- **Protective cover added to coupling**
- **Silencer and generator exhaust fume separator**
- **Stainless steel reinforcement around engines**
- **Thermal insulation soundproofing**
- **Waterproof camera interfaced with helm screen**
- **Waterproof fixed explosion proof light**
- **Flooring covered in anti slip material**
- **Glendenning 100A 4 pole cord reel for shore cable**
- **Isolation transformer 25KVA**
- **Breaker box**
- **Measuring instruments with voltmeter and ammeter 240V**
- **Carling switch 100A for 24DV shore supply**
- **Shore power GFI 100A 30mA**
- **Batteries**
- **Battery cut off for appliances to batteries**
- **Battery charger for generator**
- **Inverter 60hz/120V for galley fridge**
- **Inverter 60hz/120V for services**

Systems and Mechanical

All system onboard are Pershing factory systems. Gayle is a USA version Pershing 80 with all equipment and systems onboard noted in the Pershing USA package.

- **Fresh water System**
- **Fresh water connection from water tank**
- **Fresh water intake in engine room**
- **Level sensor**
- **Shore fresh water intake with pressure regulator**
- **Shower with mixer tap in external fore deck**
- **Shower with mixer tap on aft swimming platform**
- **Structural GRP tank with pump and autoclave**
- **Water heater in 60hz**
- **Watermaker**
- **Bow and Stern thrusters**

Electrical System

- **110V sockets in each cabin**
- **24v/230V voltage measuring instruments**
- **Battery charger**
- **Services battery, engines and generator batteries**
- **Battery cut off copper plate bonding system all along the hull joined to the anodes protection on the transom**
- **Emergency parallel connection between service batteries and engine starter**
- **Inverter for galley fridge**
- **Main electric panel with magnetic thermal switches**
- **MTU electric panel for engine control**
- **Parallel between generator batteries**
- **Kohler generators x 2 60hz with fuel filters and water sensors**
- **Electrical switchboard for USA**
- **Electric system transformer for USA**
- **Ground connections for central bonding system**
- **Channels from engine room to antenna area**
- **Ground fault interrupters 120V 6ma in all heads galley and engine room**
- **12V socket in upper salon**
- **Double 120V sockets on every box aft deck, upper salon, engine room and galley**

Fuel System

- **Electronic fuel level remote indicator in dashboard**
- **Sight tube on fuel tank in engine room**
- **Manual fuel discharge pump**
- **Structural GPR tank**
- **Generator filter: single type Racor**
- **Main engine fuel filter pre-engine**

Bilge Pump System

- **Automatic manual immersion e-pump for bilge discharge in each compartment**
- **Centralized emergency bilge suction for all bilges**
- **High level bilge sensors**
- **High volume emergency bilge suction with three-way valve connected to main engine intakes**

A/C Systems

- **A/C in all cabins and heads including upper salon. Crew head excluded**
- **A/C compressor USA version tropical 120,000BTU including bathrooms**

Fire Systems

- **Emergency engine shut down remote control with manual and automatic extinguisher in engine room.**
- **Smoke detectors in engine room**
- **Smoke detectors in galley**

Water Systems

- **By-pass valve for emergency bilge discharge from engines**
- **Sea water intake and chain wash pump**
- **E pump fire extinguisher**
- **Sea water basket filter for engines power generators**
- **A/C pumps for services and fire hydrants**
- **Sea water intake for chain wash and fire extinguisher in fore locker**
- **Sea water intake for grey water system with 300 lt polyethylene tank**
- **E pump auxiliary tank**
- **Discharge pump for main tank discharge**
- **GRP tank level sensor manifold with by pass for grey and black water tank emergency discharge**
- **Grey water 3 way valve in galley**

Black Water System

- **300 liter polyethylene tank**
- **E/pump tank discharge**
- **GRP auxiliary tank level sensor**
- **Black water deck connection for dockside tank pump out**

Exclusions

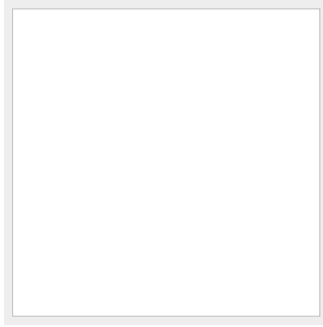

Owner's personal belongings.
