SPECIFICATIONS

Overview

The Swift Trawler 30 represents Beneteau's continuing quest to define the trawler as it should be. Newest member of the 'long-distance cruiser' family, the Swift Trawler 30 is an excellent balance between style and seaworthiness.

"Beneteau has done a commendable job of outfitting this pocket trawler with the accommodations and conveniences of a larger cruiser in a spacious, clutter-free layout [...] With a single 370-hp diesel, the Swift Trawler 30 can reach a top speed of about 23 knots and cruises at about 15 knots. It has a range of about 200 nautical miles." - Soundings Magazine

DYSID:3125795

Basic Information

Category: Trawler

Model Year: 2017

Year Built: 2017

Country: United States

Dimensions

LOA: 30' 0" (9.14m)
