SPECIFICATIONS

Overview

The Sundancer 320 is a well-engineered family boat and this one has been kept in excellent condition. The LOA with swim platform is 35' 6" and the cockpit space is great for family and friends to enjoy cruising. Two powerful and efficient engines have low hours for many years of carefree use ahead.

The 320's interior has curves and rounded corners that help create the kind of space not usually found on a boat this size. Finish is high-gloss cherry with mirror accents. The settee converts to a double bed, there is an island berth forward, a stateroom aft of the saloon and a conversation area converts to yet another berth. This 320 is set up for a family to cruise in comfort, with a Kohler generator, bow sunpad and all seating in great condition.
