## Overview

---

“Our Trade ” is the finest example of the acclaimed 64 Viking. She was outfitted by an extremely experienced owner and captain for long range traveling and sportfishing. “Our Trade” had an extensive refit a little over 3 years ago which included new Bluewater helm chairs, new teak cockpit and coamings, all new electronics package, updated upholstery and much more. In late 2017 her hull was painted and her bottom soda blasted, epoxy primed and painted as well. Her gel coat shines like a mirror and she boasts countless custom and upgraded features including Palm Beach Tower, dual water makers, dual Eskimo ice makers , and back-ups for nearly every critical system on the boat. Continuously maintained to the highest level with updates too numerous to list. Her interior is the sought after four stateroom layout with athwartship master and VIP arranged bunks forward. Don’t miss the rare opportunity to buy one of the most sought after sportfishing yachts and have it ready to fish immediately.
