DETAILED INFORMATION

Aft Deck and Cockpit

The molded in swim platform has a series of 5 removable stainless steel rails for safety. A set of molded in fiberglass steps lead you to the cockpit on the starboard side. The entire cockpit is under the flybridge above, giving you ample shade. There is a camera that feed to the helms on the back of the top. A large lounge all the way aft faces forward and has a large dual pedestal Corian table. The molded in stairway to the bridge also hides the access to the lazarete and engine room. The salon is entered through the centerline stainless steel door. To the port side there is an engine control station for docking that also has a remote VHF radio inlet. Access to the bow is made from either side of the cockpit.

Salon

The well appointed salon is entered through the centerline door in the cockpit. To the starboard side is a large U shaped lounge finished in Ultraleather, with a large coffee table. To the port side are 2 barrel chairs, along with cabinets and the A/V equipment. There is a Control 4 Control system, DirecTV receiver, Denon bluetooth, WiFi digital receiver and Samsung BluRay player. There are 5 Boston Acoustic speakers in the overhead. The Samsung 50" LED television is situated to the port side forward and there is a Western Digital movie unit with 200 movies on her hard drive. 3 steps on the port side forward in the salon lead to the galley and dinette.

Galley

The U-shaped galley is directly to the aft of the lower helm, and looks out over the salon. Features include:

- Kitchenaid 4 Burner Ceramic Cooktop
- Sharp Carousel Microwave Convection Oven
- 2ea. Subzero Refrigerator Drawers
- 2ea. Subzero Freezer Drawers
- Fisher Paykel Stainless Steel Dishwasher
- Stainless Steel Sink with Delta Faucet
- Granite Countertops
- Under Cabinet Lighting

Dinette

The dinette is directly next to the helm on the port side. She features a granite table that tastefully matches the galley granite, and seating for 6. The Ultraleather cushions and backrest were re-covered in April of 2018.
