SPECIFICATIONS

Overview

This Captain maintained turn-key vessel is ready for her next owner. A fresh water boat, she had originally cruised the Great Lakes and now is currently on the Tennessee River under cover. Complete owners manuals and service records, she has been kept in great working order. Davit, batteries, chargers, and swim platform lift had been replaced or serviced in 2017. The boat was hauled and bottom painted back in August. While the vessel was out of the water the owner had a hull survey performed. Recent additions include bow thruster and auto pilot with wireless remote. With three staterooms and three heads there are plenty of accommodations for guests. Large salon and air-conditioned back deck are great for relaxing in comfort. Full galley equipped with a Frigidaire side by side, cook top, oven, microwave, insta-hot, and dishwasher. A stacked washer and dryer is also on board. A 2006 13' Boston Whaler with 40hp and low hours is also included.

Basic Information

Category: Motor Yacht

Model Year: 1988

Year Built: 1988

Country: United States

Dimensions
