Overview

“Our Trade” has had one owner for the past 14 years. This owner has meticulously maintained the boat both cosmetically and mechanically. Both hull sides (ice blue) and top sides were painted two years ago at Saunders Marine in AL. The boat has been docked in the shade under full cover behind the owner’s house. This owner has exceeded all maintenance schedules and it shows throughout the boat. “Our Trade” is turn-key ready to conquer the blue water.
