SPECIFICATIONS

Overview

This beautiful spacious 444 Carver Cockpit Motor Yacht has received many updates and extensive maintenance since this owner acquired her. Sea n' Dipitous has about 840 original hours on her 370hp Volvo Diesels which have been thoroughly inspected and serviced, within the past year, including the cooling system.

This vessel has many updates (these are showing as NEW throughout the detailed specifications) and ongoing maintenance that should provide the next owner many hours of trouble free boating. Check out the specs and pictures and don't delay setting up your appointment!

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

VESSEL WALKTHROUGH

Carver's signature raised deck design also allows for a wider, much roomier cabin than other yachts this size. Combined with the way Carver united the salon and galley into one spacious and elegant "great room", this adds up to outstanding cruising comfort. The expansive great room features all sorts of amenities, including beautiful cherry woodwork expansive comfortable seating, and a settee that does double duty as an extra berth with foldaway bed. When it comes to other sleeping accommodations, owners will welcome the unexpected luxury of two private staterooms, each with a private head compartment. The master stateroom is aft, separated from the guest stateroom by the main cabin, providing privacy for both owner and guests. On the bridge, passengers can relax with the L-shaped lounge that seats five and the wet bar that includes an icemaker. The aft deck offers a hardtop that covers the entire deck plus enclosure, with wing doors to the foredecks. There is an integral bridge to aft deck stairway as well as aft deck to cockpit. The large cockpit offers plenty of space to facilitate water activities plus access from the master stateroom to enjoy a sunrise or sunset.
