SPECIFICATIONS

Overview

This Formula 37 PC is an upper market family express cruiser with aggressive good looks and an attractive interior designed to appeal to those willing to pay a little extra for the built-in quality of a Formula. She's built on a beamy deep-V hull with inboard power, prop pockets (30" draft) and a relatively modest 18 degrees of deadrise at the transom. The mid cabin floor plan of the 37 PC is unusually wide open and spacious thanks to the absence of any interior cabin bulkheads. Headroom is excellent, the decor is very elegant, and the furnishings and appliances are first rate. The cockpit with its U-shaped lounge (which converts into a big sun pad), wet bar and triple-wide helm seat can accommodate 10 passengers. Additional features include a walk-through windshield, foredeck sun pads, a huge transom locker and an integrated swim platform with a built-in ladder.

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2004

Year Built: 2004
