## Overview

---

"Quest" presents a rare opportunity from the original owners to acquire a well maintained Island Packet with new (with warranty) main engine, Fischer Panda generator with only 32 hrs. and all roller furling sails in very good condition. Chain plates were replaced in 2015.

"Quest" is cutter rigged with a self tending staysail.

If you are seeking a beautiful and very lightly used vessel, then "Quest" should not be overlooked.

Please seek video, full specs and descriptions in ad for a more detailed look at "Quest". When there, please scroll down.

### Brokers Observations

The Island Packet series 350 is a very desirable vessel in the current market. With the overall length of "Quest" being in the 36' range offering economical docking in a two stateroom vessel with all the amenities for comfortable sailing adventures. "Quest" is very clean and well maintained. This along with All roller furling sails, a new main engine and very low hour generator make this vessel rare and desirable for the potential buyer. The owner of "Quest" has elected to remove the dodger, which was damaged during hurricane Irma. The remainder of the canvas is in very good condition and no other damage was noted.
