Engine Information

Manufacturer: Cummins

Model: Zeus QSC 550

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview/Walk through

"Cool Enough" is a 2014 510 Sundancer by Sea Ray featuring two staterooms and two heads. This vessel is full of upgrades!

Stepping aboard, you'll first notice the upgraded hydraulic swim platform with 600 lbs. capacity, big enough to fit a small jet ski or inflatable tender. Moving into the cockpit with teak flooring, you have a high-gloss teak dining table with U-shaped seating for several adults. To the starboard, below you have an icemaker and above you have a Kenyon electric grill to fire up some juicy bacon in the morning or the fresh catch in the afternoon. For those days when you've had too much sun, use the aft electric awning to provide shade over the entire cockpit.

As you step into what Sea Ray has dubbed the sunroom, you'll have another dining area to port and a full wet bar with storage and a refrigerator to starboard with a TV overhead. For the beautiful sunny days, open up the massive sunroof to let in more light and ocean air or keep it shut with the closeable shade to stay cool.

At the helm, the captain is in control with twin Raymarine e125 12.1" touch displays and a 4" Smart Craft Vessel View for all of your engine diagnostics, hours, RPMs, fuel consumption and more. All of the electronic toggle switches are clearly labeled and the Digital Throttle & Shift (DTS) controls make shifting as smooth as butter. For the novice captain, the joystick makes docking and departing look easy and effortless. Included with the joystick option is autopilot and skyhook technology, mostly used when waiting for an empty slip or a bridge to open. Her owner spared no expense and installed an aft-facing camera for extra visibility when backing into the slip.

Moving down the 5 wide and sturdy steps into the atrium style lower salon, your second entertainment area has plenty of space for more guests or party preparation. The pull-out sofa serves as an extra sleeping accommodation or a great place to lounge and watch TV during undesirable weather while the rain hits the large windshield overhead. The large galley to port features an almost full-size refrigerator, freezer, microwave/convection oven, coffee maker, 2-burner stove and tons of storage.

The mid-stateroom contains the full-beam master with queen-size bed, cedar-lined closet, carpet and flat screen TV. The master head and shower features private access from the stateroom with solid surface countertops and storage above and below. The master also houses the upgraded washer/dryer combo. The VIP stateroom in the bow features a full-size Island Style bed w/electrically actuated extension & posturepedic backrest, cedar-lined closet, carpet and flat screen TV. The VIP head is accessed from the stateroom or can be used as a day head with access from the salon.

For the New Year's and 4th of July excursions, watch the fireworks from the comfort of the bow sun pad.

This is one of Sea Ray's best selling yachts and is a must see, below market opportunity that you won't want to miss.

"Cool Enough" is available for viewing at Galati Yacht Sales in Saint Petersburg.
