Remarks

The 63' Bertram enclosed bridge, like many of Bertram's other convertibles is a nice riding boat. The newer style sleek styling and tear drop windows give the boat a great and good looking profile. Un Believable is a 3 stateroom and three head layout which gives each stateroom a lot of room and the heads are very large as well. The interior is in high gloss cherry and accented with Sandstone Corian throughout. The décor was done by Marty Lowe and has very soft tones. This boat is in excellent condition. ALL TRADES CONSIDERED - LARGE CENTER CONSOLES AND EXPRESS STYLE
