## **MANUFACTURER PROVIDED DESCRIPTON**

The elegant lines of the V62-S encapsulate an expansive and sociable cockpit arrangement with generous seating and a fully equipped wetbar with a barbecue. When at anchor, the electro-hydraulic bathing platform creates a convenient launch system for a 3m tender, a jet ski, or simply becomes a secluded swimming platform. And when at sea, acoustic insulation ensures a remarkably quiet ride, even when cruising up to 38 knots.

At the touch of a button the sunroof reveals the skies above, transforming the social U-shaped seating beneath into a particularly nice spot for entertaining. Below deck, the lower saloon is located adjacent to the large galley which includes a full-height fridge/freezer. Two well-appointed cabins await guests, and for the owner, a full-beam, en suite stateroom with beautiful vistas through the vast single pane hull windows.

## **Exclusions**
