Manufacturer: Mercury

DETAILED INFORMATION

Features

The Nor-Tech 360 MC Flyer Vee Bottom combines the elegant retro styling of classic runabouts from days gone by with exhilarating effortless performance and the practicality of modern outboard power. The triple engine 360 MC Flyer reaches industry leading speeds, while the expansive cockpit provides comfort and cruising amenities that will leave your guests smiling. The 360 MC Flyer is full of features including a triple stand up/sit down helm seat and state-of-the-art dash protected by a wrap around windshield. In the cockpit you'll find an aft facing helm seat with storage below. A large rear bench seat lifts via electric actuators to access a large storage area and mechanical room. Atop the aft hatch are twin aft facing sun lounges and a walkway for access to the transom for easy boarding at the docks or for swimming. Additional touches include two built-in drink coolers to keep the cockpit free of clutter and your drinks cold. The cabin is accessed via a sliding door which leads to a spacious cabin with an enclosed head featuring an electric flushing toilet and pull out shower. There's also a wrap around sofa and the wide bow provides room for oversized forward berth. The perfect boat has long been nothing more than a dream for many, but the Nor-Tech 360 MC Flyer is now a reality!

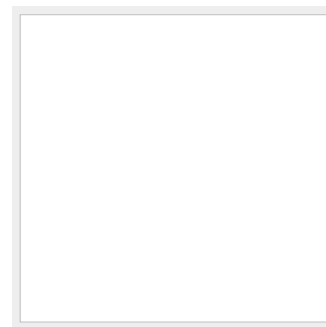

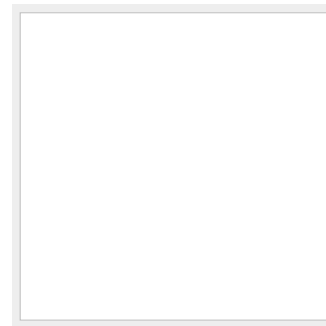

Exclusions

Owner's personal belongings.
