Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified Deep Vee

Hull Color: White/Green

DETAILED INFORMATION

Rear, Side and Foredeck

The original swim platform has been replaced with new, and there is a ladder up to the rear deck. Boarding is also possible from both sides via a hanging ladder. The aft deck is fully covered by a fiberglass hardtop with sunshade enclosure. Out door dining furniture and a wet bar for entertaining.

Both side decks allow for easy and safe access forward. plus there are Salon Doors on both sides with direct side deck access.

Teak handrails and a recessed walkway. Fender storage and an Anchor Pulpit with windlass. A Rocna 33kg (73 lb) anchor was added in 2013

Upper Deck

Up several steps from the aft deck is the large/roomy upper deck. Built with hi-tech Foam core material, the hardtop was custom manufactured and installed in '13. All antennas and Solar panels are mounted here. Also, there is access to the top of the rear hardtop with a 9.5' AB rigid/inflatable dinghy (with custom cover) and an electric crane for launching and retrieving the Dinghy. At the rear of the upper deck is a storage box that houses two 17 lb fiberglass propane tanks. Storage boxes with cushion tops runs along both sides, LED lighting beneath the hardtop for this space is new. A single pedestal helm chair sits on the center-line/forward, with opposing front facing bench seats (storage beneath). The upper helm station is located here, with full engine instrumentation and controls. **FLYING BRIDGE ELECTRONICS**

- Garmin GPSMap 4212 color, multi function display including Sat Weather
- Garmin AIS Class B send/receive
- Ritchie compass
- SidePower Bow Thruster control
- Autohelm digital depth finder
- Compu Course 220 Autopilot
- Standard marine AM/FM/CD stereo
- West Marine VHF Radio with DSC
- Anchor Windlass control

Lower Helm Station

The lower helm station is located in the front stbd corner of the Salon. There is a new fully adjustable (slide, swivel, recline, raise/lower) LeBroc pedestal mounted helm chair with folding arm rests, footrest, built in cup holder, etc. Three wipers on the large front

glass panels for excellent visibility. An upper console houses several items of Marine Electronics while the dash houses engine gauges and controls.

- Garmin GPSmap 4212 color MFD
- Garmin digital depth sounder display
- Garmin Class B AIS send/receive
- Garmin anemometer and display
- Standard Horizon VHF Radio with DSC
- Furuno GPS Navigator
- Remote Spotlight control

- Side Power Bow Thruster Control
- Compu Course 220 Autopilot
- Danforth Constellation compass
- Tri Star 60 amp Controller connected to the Kyocera Solar Panels (on upper hardtop)
- Anaritsu Radar (inoperative)

Galley and Salon

From the aft deck, there is a lockable full sized door that leads to the Main Salon. The galley is aft with large windows, 6'4" headroom and great natural light. Upper and lower Teak cabinets with countertops.

- Frigidaire Stainless Steel microwave
- Stainless Steel sink with combination faucet
- Princess 3 burner stove (Propane)
- Princess Oven (Propane)
- Overhead lighting
- Custom built teak Side Board across from galley
- Vertifrigo under counter Refrigerator
- Vertifrigo under counter Freezer
- ULine Ice Maker

The very large Dinette table and L-shaped settee with Booth style seating sits across from the Side Board and the LG 32 inch Flat Screen HDTV with Sirius Sat Radio and Polk Audio soundbar. There are doors on both sides of the Salon that provide direct access to the side decks. Fully operational windows with screens and curtains for this space.

Master Stateroom

The master stateroom is aft from the salon. A walkaround Queen Berth sits in the

center with the headboard aft. There are reading lamps and night stands on both sides and very large hanging locker plus drawers along both sides. The combination washer/dryer is located in a closet forward with additional storage space.

The master head is port and forward. Vac-U-Flush toilet, sink and vanity and mirror, plus a stand up shower.

Guest Stateroom

The guest stateroom is forward from the salon and features a V-berth with filler. There are storage drawers beneath, and the private head with Vac-U-Flush toilet, sink/vanity and mirror. A hanging locker is situated on the port side and the engine room access door is aft.

Engine Room and Mechanical Notes

- Twin Perkins 135hp inboard direct drive engines.
- Main engine Heat Exchangers were replaced in 2013
- Raw water pumps replaced 2013
- Sea Water hoses replaced 2013, all feed from a Sea Chest
- Complete Fuel Polishing system connected to all 3 tanks
- new FireBoy engine room system added 2013
- Westerbeake generator Heat Exchanger replaced in 2013
