## Overview

---

SEA HAWK III is the perfect boat for a couple or a cruising family. She has 4 staterooms with 3 heads, plus crew. Her spacious full beam master is comfortable for extended stays aboard. Carefully cared for by her current owner for the past 13 years, spending summers cruising the freshwater Great Lakes. SEA HAWK III is ready for her next adventure. Known for their excellent sea keeping ability, her ride will impress as well.

# DETAILED INFORMATION

---

## Accommodations

---

Boarding from either side of the aft deck with molded in steps you will notice a very large aft deck with a bench seat aft, a moveable teak table and solid teak decks.

Moving forward into the salon there is a curved U-shaped sofa to starboard and love seat to port. There is ample storage on the port side of the salon as well as a drink refrigerator. The TV is mounted on the forward bulkhead on the starboard side. The large window to starboard also opens to make the aft deck and salon feel like one large area. Forward and up three steps, the dinette is to port and the galley is to starboard. There are also stairs leading to the flybridge. The fully equipped Galley has an opening side door and is also leads through to the pilothouse. The comfortable and fully equipped Pilothouse is located forward in the event of unfavorable weather. To center is the stairs leading down to the four staterooms and three heads. The bunk stateroom is to port. The twin bed stateroom with ensuite head is to starboard. The VIP is forward with an island queen bed and ensuite shared head. The large full beam master is mid ship-aft with an angled queen walk-around bed and ensuite head. There is a separate washer and dryer in the hall leading to the master.

## Main Salon

---

The main salon has a sliding glass door to aft deck as well as an electric opening window. The settees have full storage underneath. There are large built in storage cabinets to port as well as a drink refrigerator. The flat screen TV is mounted on the starboard bulkhead in the salon and is equipped with a Bose surround sound system, DIRECTV and KVH Tracvision. There is a central vacuum outlet located in the steps.

## Galley and Dinette

---

The large curved dinette is located to port and features a high gloss Burl wood finish. The galley to starboard has a refrigerator and freezer, Miele oven, GE stainless steel dishwasher, GE countertop microwave, 4-burner electric stove with a Miele exhaust hood, twin round stainless-steel sinks and lots of storage. The galley is open to the dinette and also forward to the pilothouse. There is a side door leading to the starboard side deck. To port and aft of the dinette are stairs and a door leading to the flybridge.

## Master Stateroom

---

The large full beam master stateroom is midship-aft which provides the quietest and most comfortable space on board. It has large corner queen size bed to starboard and

settee to port. There are plenty of drawers and cabinets for storage as well as a large hanging closet to starboard. Individual TV, stereo and AC controls. Just outside of the master stateroom are a separate Bosch washer and dryer as well as a central vacuum outlet located in the steps.

---

## VIP Stateroom

---

The VIP cabin is forward and has centerline queen bed. The stateroom has a hanging closet and a closet with shelves. The adjoining bath is shared with the bunk bed stateroom. It has individual stereo and TV as well as its own AC control.

---

## Twin Guest Stateroom

---

The starboard cabin has twin beds, drawers and a closet as well as a private ensuite head. The cabin has its own AC control.

---

## Guest Stateroom

---

The port cabin has bunk beds, a hanging closet and shares the head with the VIP cabin. It is equipped with its own AC control.

---

## Lower Pilothouse

---

The pilot house has two seats and is fully equipped to operate the vessel from this location. The large windshield provides good visibility. Electronic Equipment:

---

## Flybridge

---

The Flybridge can be accessed from the salon stairs or ladder that leads up from the aft deck. The rigid half tower top is partially enclosed with polycarbonate panels to protect from wind and weather and can easily be opened or removed. There is a three-person fixed helm seat as well as a large sofa to port that turns into a u-shaped dining area. There is a covered wet bar along the aft side of the helm seat. It has an electric grill, sink, refrigerator and icemaker. The flying bridge comfortably seats 8-10 guests and the seat backs have been raised for more support. There is a high gloss teak table and a teak sole. Aft of the seating area is a large sun pad as well as the life raft mounted to port. Electronic Equipment:

- Two Furuno Navnet 3D GPS Chart Plotter/Radar/AIS/Fishfinder/XM weather/Furuno weather sensor. These units are mounted on Navipods
- Icom VHF radio
