SPECIFICATIONS

Overview

This new Sunseeker model has focused on creating generous, user friendly entertainment areas. Her exterior lines flow gracefully from the Portuguese-bridge bow seating and sunbathing areas to the expansive cockpit adjoining the well-equipped aft galley and salon on the main deck.

The flybridge has been reconfigured to create the feeling of a much larger yacht with large sunbathing areas forward and a well-equipped wet-bar. The voluminous ambiance continues to the wide swim platform (capable of launching a Williams 385 Jet RIB) and transom 'beach club' where an optional barbecue, fold-away bench seat and overhead 'rain- shower' truly set the Manhattan 66 apart from its peers.

The open, on deck galley creates room for four very spacious staterooms below including two large twin cabins, a forward VIP suite and standout full-beam master cabin with its own private stairway access from the salon; a first for Sunseeker in this size range.

Winner of the 2018 Motorboat and Yachting award for the Best Fly Bridge Yacht over 66 ft.

Basic Information

Category: Motor Yacht

Model Year: 2018

Year Built: 2018

Country: United States

Vessel Top: Hardtop
