*Fiberglass hardtop w/3 side enclosure *Approximately 500 hours since major overhaul of major engines *Inverter system *Designed to stay at anchor while cruising
*Washer/dryer

Vessel Walkthrough

Boarding CHINA DOLL is over the gunwale and into the Cockpit from a fixed dock or onto the swim platform and through the transom door from a floating dock. The 120' square foot Cockpit has a tackle center, storage and Engine Room access without entering the Cabin.

The Salon is one step up with a newly covered sofa to starboard with an occasional chair to port. Forward are storage cabinets to starboard and the open but one step down fully equipped Galley to port. Behind the Galley and very visible from the Salon is a large LED TV.

Down one more step is a U shaped Dinette than can convert to sleep two. Forward to port is the full Head with full shower. There are two access doors one from the Centerline Companionway, the other from within the single Cabin forward.

The Forward Cabin has a walk around queen berth, hanging locker and drawer storage.

The Flybridge has a large double helm, a seat to starboard and a seat forward of the Helm. A fiberglass hardtop and three side enclosure offer protection from the elements.

Salon

CHINA DOLL's Salon is entered via a hinged door to port. The sole is a high gloss cherry wood plank with a throw rug. To starboard is a new large L shaped sofa with an off white Ultra Leather and storage below. A matching barrel chair with storage below is to port. In front of the sofa is a high gloss hi-lo table the owner wishes to include. Forward is a Dometic cool box to be a refrigerator or freezer. Next forward are three storage cabinets.

Upgrades in the Salon include a wood blinds, port, starboard and aft with lamberskins and matching upholstered valance. There is also a liberal use of granite trim in the

window sills. The aft door has a pull down shade over the window.

Overhead are eight LED lights, two stereo speakers and rod holders for seven rods. Additionally an EPIRB, Sat phone with external antenna and speaker are mounted in the Salon.

Galley

Two steps down to the full Galley which is U shaped off the port bulkhead.

Features include:

Cherry planked sole Granite countertops Deep under mount stainless steel sink Remarkable spray faucet Tappan stainless steel microwave Kitchen Aid two burner ceran top cook top Isotherm stainless steel refrigerator freezer (4) Drawers (8) Cabinets (2) LED lights overhead Water gauge 46" Vizio TV facing Salon, 2017 Sony Blue Ray player Apple TV

Dinette

Down two more steps but to starboard is the optional Dinette that converts to sleep two. Four can easily dine. The table is high gloss wood. Two stereo speakers and two LED lights on a dimmer are overhead. The cherry sole continues forward.

Laundry

Opposite, between two hinged doors, is the Whirlpool Thin Twin Laundry Center. Next forward is the secondary access to the yacht's Head. A full size storage locker is forward and opposite to starboard.

Forward Cabin

The cherry sole continues forward into the Master Cabin. The berth is a tapered queen size berth with two large drawers below.

Cherry steps give easy access to the berth. Granite shelves serve as nightstands port and starboard as well as at the head of the berth. Above the headboard is a mirrored panel with tropical etching. To both port and starboard are twin door hanging lockers with an auto light. A large deck hatch and four LED lights are above.

Head

To port is the entrance to the yacht's Head. There are two doors, one from the Master and one from the Centerline Companionway.

The Head is surprisingly large. It features a mica vanity with two doors below and a granite countertop with a stainless steel under mount sink. Twin sliding door medicine cabinets are above. The sole is an attractive "tile look" vinyl. The head is a Vacuuflush model. The stall shower has a curved sliding Lexan door, a seat, a light and a handheld or wall mountable fixture. Three LED lights are above.

Bow

2013 Mercury 9' 6" RIB w/cover, new 2014 2013 Mercury 15 HP 4 stroke OB, new 2014 600 lb. Remarks

CHINA DOLL is the perfect Bahamas Cruiser for a couple and an occasional guest.

She offers great accommodations, a 20 GPH watermaker, an inverter system with a dedicated battery bank and a tender and crane on the bow. All of these features were added new in 2014 when the current owner purchased the vessel.

CHINA DOLL is for sale as the owner is retiring from boating. Buy her before he changes his mind! Hours are 600 SMOH.

Exclusions

While every effort was made to list all pertinent included equipment aboard CHINA DOLL, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

Exclusions

Owner's personal belongings.
