Bridge Deck

The expansive enclosed bridge design provides a panoramic view for Captain, Crew & Guests. While providing additional air conditioned living space on the bridge deck, it also expands the Salon, Galley and Dining Spaces below. In total, 782sq.ft. are gained in the rare Enclosed Bridge/Sky Lounge Layout seen in this yacht, while the large sliding door, electrically actuated portside window and two opening hardtop skylights allow the entire area to open onto the aft bridge deck, providing a flow-through fresh air experience and increased entertainment space. The boat deck area is also fitted with large custom cushions and integral cup holders allowing the entire area to transform into the perfect place to relax and lounge in the sun while enjoying the view from the elevated deck. Starting forward from the twin Pompanette Platinum Series Helm Chairs overlooking a clean yet impressive bridge layout with navigational redundancy seen only in Megayachts, featuring not two, but three separate and independent GPS/NAV systems. Centered around Hatteras' advanced proprietary PC Monitoring System, displayed on a 15" Touchscreen to control and monitor all ship's systems, including real-time performance data, audible and visual alarms, historic logs and trending information for engine diagnostics. This central system is flanked by two 19" Furuno Navnet 3D Screens controlled by handheld wireless mouse, wireless keyboard as well as Furuno's Flush-Mount Controller. Display options include, Furuno Navnet Chart Data, Radar, Sounder, Sirius Weather, six Closed Circuit Camera Feeds (Port Aft, Starboard Aft, Underwater & 3 Engine Room), FLIR Thermal Imaging, Nobeltec PC Time Zero Chart Data and Weatherworks XM Weather. This system is completed by the third navigation system, a 17" Touchscreen Garmin GPSMap 8617. Located portside of the helm station is a desk with drawers and large chart flat. Directly behind the Helm Chairs is a large raised settee with granite top on stainless pedestals for guests to enjoy while underway. A full wet bar with icemaker and refrigerator sits aft, along with a pop-up 32-inch LCD TV and entertainment center with X-Box utilizing an impressive Polk Audio and Denon Stereo System. Along the starboard side adjacent to the Bar is a large L-Shaped Lounge with twin ottomans. Both the Settee and Lounge provide ample storage beneath. Outside is a large boat deck with Davit and removeable tender chocks, built-in fiberglass lounge seat to port with storage, Dual Gaggenau electric grill to starboard, solid-surface table surrounding an aft settee and direct access to the aft deck below. There is also removable exterior carpeting, external A/V Connections with removable

External Flat Panel Television and a new sail cloth shade covering for the entire aft bridge deck.

Main Deck

The Main Deck Aft features a drop down Flat Panel Television to starboard, teak decking, built-in Lounge with High Gloss In-Lay Teak Table and Chairs that provide the perfect setting for alfresco or formal dining experiences. Twin stairs with polished stainless-steel gates lead to the Sport Deck below featuring two Additional 100A Shorepower Outlets, Freshwater Washdown, Handheld Shower, Expansive Swim Deck with removable polished stainless railing and drop-in swim ladder. Curved sliding doors, framed in polished stainless give way to a vast salon that benefits not only from the massive 21'3" beam, but also the rare Enclosed Bridge layout and convertible formal dining table that opens the living spaces up even more. The salon also features a full entertainment system with pop-up flat-screen TV that includes a video feed from the underwater camera creating a "live" tropical aquarium, Bose Lifestyle 35 Stereo System and a full sunken wet bar to starboard as you enter with custom Back-lit Onyx Bar top, custom Mirrored & Back-lit cabinetry, along with Refrigerator & Ice maker below. Custom furnishings include a sectional sofa with storage, club chairs, convertible dining table with intricate inlays, removable leaf and chairs, mirrored headliner & LED lighting above with custom full-height back-lit china cabinet with wine cooler below, all complemented perfectly by the genuine African mahogany in high-gloss. Custom-designed valances with silhouettes provide elegant treatments for the large frameless windows. Throughout the compartment, triple bullnose moldings, decorative headliners and soffits, strategic lighting and elegant columns all come together to provide the finest of interior finishes. Moving forward and up two steps you enter the large galley / country kitchen, afforded by the Enclosed Bridge above. The high-gloss African Mahogany continues and is complimented by oak flooring, granite countertops, backsplashes and center island. Appliances include upright Sub-Zero Refrigerator/Freezer, two drawer refrigerators, microwave, dishwasher, full-size oven and four-burner ceramic cooktop. Forward is a L-Shaped dinette with granite table and plentiful storage below. Port and Starboard pantograph doors lead outside to the foredeck while a curved stairwell to starboard leads up to the Bridge Deck and Sky Lounge.

Accommodations

OWNER AND GUESTS Moving forward on the starboard side of the salon, there is a Dayhead to port and then access to the Accommodations via a curved stairwell opening up to a large landing. Directly to port is the Coffee Bar with Granite Counter, shelving above and refrigerator below. Continuing aft you enter the massive Full-Width Master Stateroom that benefits from the yacht's significant beam and six oversized verticle portlights that provide an abundance of natural light and water-level views. The master features a king-size berth with coil-spring mattress and cedarlined storage beneath. Arched doorways, recessed under lighting and beautiful wood cabinetry dress up the compartment. Port and starboard Cedarlined wardrobes offer generous stowage and house an electronic safe. A 40" Flat Panel Samsung Television with Bose 3-2-1 Lifestyle Stereo and iPod docking provide the immersive entertainment options. Aft of the master stateroom lies the His-and-Hers master head, with separate entry, vanity, stone and In-Lay flooring and shower along with custom Onyx counter tops. VIP accommodations continue for guests with the remaining three staterooms fitted with Queen Berths, highest grade upgraded mattresses, recessed lighting, cedar-lined wardrobes, Flat Panel Televisions and Bose 3-2-1 Lifestyle Stereo Systems along with featuring private heads with large stall showers custom fitted with elegant en-suite stone work.

CREW QUARTERS A private staircase on the Main Deck Aft leads to the crew quarters and engine room below, while a watertight Pacific Coast door leading to the sport deck offers a secondary exit for safety and convenience. Crew quarters consist of over/under pullman berths to port and a queen berth to starboard that can be utilized as a Captain's Cabin or 5th Stateroom as the fit and finish is mirrored from the Main Yacht areas featuring High-Gloss Wood Finishes, Stonework, Cedar-Lined Locker, Flat-Panel Televisions and even the Bose 3-2-1 Lifestyle System in the Queen Stateroom. Self-sufficiency is achieved through an additional Microwave, Refrigerator, Freezer Chest and Washer/Dryer.

Washer/Dryer Whirlpool [LTE243DQ9]

Machinery

The Full-Height Engine Room accessed from the Crew Quarters is nothing short of impressive. The compartment utilizes a state-of-the-art induction system to draw combustion air, eliminating the need for hull-side vents. Wiring and plumbing is finished to meticulous perfection and all surfaces are finished in a high-gloss white polyurethane for easy maintenance. Fishing Rod Storage, dual Craftsman tool chests, a workbench,

custom shelving, compartments and parts storage finish off the mechanical space and will earn the approval of even the most discerning Captain or Engineer.
