ПОДРОБНОЕ ОПИСАНИЕ

Salon

- Just forward of the galley you will find the expansive salon with comfortable seating for up to 8 adults.
- The owner chose the best leather material offered by Beneteau for the sofas and accented it nicely with a beautiful hi-lo leather table that opens up to create a dining area for the whole salon.
- On the port and starboard sides you will find electric windows that allow for air flow through the lower helm and salon/galley areas.
- The main doors have the optional retractable screen to enjoy the breeze and avoid the bugs. All port holes are also outfitted with screens.
- Just behind the starboard love seat there is a 32 inch Samsung flat screen also on a hi-lo actuator.
- Latitude Adjustment has a Fusion stereo system throughout allowing the owner to adjust the volume and station independently in each area of the vessel with bluetooth capability and satellite music/weather module.
- A KVH HD Satellite was added to the vessel when new and each of the 4 TVs has its own receiver. The sound quality continues through the salon with the Bose surround sound system.
- The washer/dryer combo unit is conveniently located below the steps that lead down to the cabins.

Galley

- As you enter through the solid, 3-piece door from the cockpit the teak sole continues into the spacious galley. The doors open completely to create a very inviting space.
- The galley is finished in brushed oak cabinetry and solid surface countertops.
- The owner did not spare any expense when optioning out Latitude Adjustment.
- She features an Edgestar dishwasher, 2- burner Kenyon cooktop, Danby microwave, Vittrifigo icemaker/freezer and 2 freezer drawers.
- The galley has tons of storage space including glass and dish ware storage above the refrigeration drawers and a "lazy susan" style shelf system in the corner cabinet.

Cockpit/Swim Platform

- The cockpit is covered in gorgeous teak that continues into the galley and down to the hydraulic swim platform. The platform has a capacity of approximate 750 lbs.

- There is no shortage of seating in the area and the retractable awning allows you to enjoy being outdoors in the shade.
- Just below the cockpit seating you will find access to the crew cabin.
- The side decks are wide and safe with a high bow rail all the way around.

Helm stations

- The lower helm seats 2 comfortably and gives great visibility nearly 365 degrees around. The single-piece windscreen is the main contributing factor to the great visibility.
- She is equipped with IPS 600s and the desirable Joystick which is located just behind the electronic throttle controls.
- Boat is optioned with separate third joystick control in cockpit.
- She is equipped with a full suite of Simrad electronics including two 12 inch touch screen displays at the lower helm and a 12 inch and 9 inch on the upper helm. The plotter, radar, autopilot and forward facing sonar are all integrated into the displays. Just below is the handheld Simrad VHF.
- Just below the Simrad screens is the LCD Volvo display which gives a full readout of all engine data with additional analog gauges and rudder indicator above.
- To starboard on the helm is the optional Quick bow thruster control and Quick chain counter.
- The Lenco trim tab control is just aft of the chain counter.

VIP Stateroom

- As you make your way down the centerline companionway the beautiful brushed oak and plush white carpet continue into the 3 staterooms.
- The VIP is forward and allows for tons of natural light with the 4 port holes and skylight/opening hatch above (both have retractable screens and shades).
- There is no shortage of storage in the VIP with a large hanging locker to port and shelved storage locker to starboard. There are also large storage cabinets above the port holes on the port and starboard sides.
- The island queen berth has custom bedding and decorative pillows.
- A Samsung flat screen hangs on the aft bulkhead and has an independent HD satellite box. The thermostat and Fusion stereo head unit are easily accessible next to the starboard locker.
- The VIP has private access to 1 of 2 heads which features a nice basin sink, teak sole and stall shower.

Guest Stateroom

- The guest stateroom is located to starboard and also has nice natural light with 2 opening port holes and over/under bunks.
- Just aft of the bunks is a nice size hanging locker with Samsung flatscreen and Fusion stereo control above.
- Bose speakers throughout.

Master Stateroom

- The master stateroom is one of the most impressive areas of the MC5 Fly. The waterline windows, both outfitted with opening port holes, lend to tons of natural light and beautiful views.
- The island queen is covered in custom bedding and decorative pillows. To either side of the berth are leather capped night stands and reading lights.
- Outboard of the berth are 2 large sofa/seating areas with storage below.
- There is ample storage throughout including 2 large hanging lockers.
- The en suite head has an impressive separate stall shower with a teak bench and seat.
- There is a beautiful, white basin sink and an opening port hole that allows fresh air into the space.

Flybridge

- Known for the size, the MC5 flybridge is exemplary of one you would find on a much larger vessel. She boasts a seating area for up to 10 guests and a beautiful teak table that expands for dining.
- The sun pad converts to a bench seating area and makes a great forward-facing space to keep the captain company.
- Just aft of the helm is a summer galley with a second grill and freshwater sink. Below there is additional storage and a trash receptacle. Next to the aft sofa is yet another refrigeration box with thermostat.
- The flybridge looks down over the bow sun pads and additional speakers.
- The KVH satellite domes are custom painted to match the cream gel coat on the top sides.

Engine Room/Mechanical

- IPS 600s - 435 HP - 170 Hours
- Engine Warranty Through August, 8th 2020.
- Port Serial: A396685
- Starboard Serial: A396686
- 13.5 kW Onan generator with 126 hours of use. Serial: J140756748

- CruiseAir chilled water AC system.
- 2 50 Amp shore chords both on Glindenning reels.
- 2 Dolphin Pro OEM 24.4 battery chargers.

Service History

- Full Engine Service - December 2017
- IPS Service - December 2017
- Generator Service - December 2017
- Cruised nearly 2000 nm over the last 2.5 years.
- She has been hauled out and either shrink wrapped or stored indoors when not in use.

Исключения

При продаже яхты исключаются личные вещи владельца.
