## Overview

---

More photos available soon!

This boat is an awesome combination of rugged functional fishability, comfort and absolute beauty. She is set up to fish, rides and handles like a dream and has the lines that blend old school Carolina Classic and modern sportfisher. Fast and economical with enough fuel, accomodations and storage to travel comfortably, this boat is a rare find at half the price of many of todays comparable new builds. She sleeps four owners/guests in a two stateroom, two full head layout below. The Interior is beautifully finished in cherry veneers and hardwoods with satin finish and brushed nickel hardware. Multi-media system throughout the vessel, padded wall and ceiling paneling, storage galore and well thought out from top to bottom. If you are looking for that good riding, fast, 55'-60' Carolina boat with CAT power that was built to comfortably fish.....the Odinspear is a must see.
