SPECIFICATIONS

Overview

Teddi Bear an is extraordinary yacht that was custom built in New Zealand to the highest standards in 2007 and is in "like new" condition. Shipped to British Columbia for commissioning by Philbrooks shipyard. Cruising Alaskan waters and the Pacific Northwest for years this wonderful vessel is now offered for sale. Execution of every detail is of the highest quality, as the systems selection reflects.

This Expedition designed yacht is powered by Westerbeke Century diesel engines with Python Shaft couplings, two Westerbeke 7.6kw Generators in sound shields provide for a quiet cruise. Side Power 15HP Bow and Stern thrusters make docking worry free. Anchoring by hydraulic drum with chain and wire rode with the proven Forfjord anchor. Kabola diesel heat and Mermaid air conditioning provide comfortable cruising at any latitude. 1270 square feet of living space allow for full size furniture and appliances. Watermaker, two ton crane, 15' Stabicraft tender, Helicopter deck, Hot tub, spare propellers and even a fireplace make this turn key vessel ready for the next horizon. All this and a range of 2370 to 13545 miles depending on speed. This Trawler Fest peoples choice award winner is now in Washington state and available to view.
