## Remarks

---

Galene is the most pristine available. She has been maintained with an open checkbook. She has been stored in a covered slip during the boating season and out of the water in an air-conditioned building during summer season until 2017.

Galene has been professionally maintained and powered with Cummins 600HP and Mercury's Zeus pod drives system with only 517 hours. She is well equipped with many upgrades and never fished. Used for local cruising in Florida

- All fluids changed - February 2018
- New bottom paint - March 2018
- New Prop speed - March 2018

---

## Exclusions

---

Owner's personal belongings.

---
