SPECIFICATIONS

Overview

The original Regulator model, the 26 FS (Forward Seating) remains a benchmark in the world of midsize center consoles. Constructed on a solid fiberglass deep-V hull with a sharp entry, wide reverse chines, and a single-piece grid-type stringer system for structural support, the Regulator 26 is widely acclaimed as an awesome (and overbuilt) fishing machine. Standard features include a console storage compartment, console cooler seat, pop-up cleats, Armstrong outboard bracket, 20-gallon transom livewell, twin transom bait boxes, and a vast 700-quart in deck wet/dry box that doubles as lockable rod storage. No lightweight, the Regulator's legendary deep-V hull delivers an exceptionally dry and soft ride. Yamaha F250 4-strokes deliver a top speed of 50+ knots.
