SPECIFICATIONS

Overview

GT50# 11 Will Be Available Summer of 2018

The Gran Turismo 50 has quickly shaken up the world of sport cruisers. It's the largest model of the range offering a planning hull, Volvo IPS 600 engine power and built-in retractable sun visor in the hardtop. The cockpit continues in the sporty and elegant form with a protected lounge on the full-space main deck. This fully flush layout seamlessly connects the interior with the exterior, creating the perfect flow for entertaining, which is unique to the Gran Turismo 50.

Beam: 14' 5" (4.39m)

Max Draft: 2' 11" (0.89m)

Clearance: 17' 6" (5.33m)

MFG Length: 51' 9" (15.77m)

Speed, Capacities and Weight

Displacement: 30063 Pounds

Water Capacity: 53 Gallons

Fuel Capacity: 172 Gallons

Accommodations

Total Cabins: 3

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo

Model: IPS 600

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Air Step 2

The Air Step 2 is an evolution and an improvement on the first generation, based on customer experience and Beneteau's in-house research and development.

The basic principle remains the same: a V step with lateral chines for perfect grip when turning.

The step creates an "air cushion" under the hull which reduces drag thus providing better performance and a significant cushioning during passage through choppy waters.

The Air Step 2 in Figures:

- 3 x more air under the underwater portion of the hull thanks to the air inlets placed directly under the hull
- 1.5 knots fast than the GT 44
- 1,500 lbs more aboard and still the same performance. This means more equipment and more comfort for the same performance.
- IPS Compatibility has been endorsed with more than 300 hours of testing in all weather and sea conditions

Factory Installed Options

- Volvo IPS 600 435 Hp
- 3 Cabin 2 Head Layout
- 2018 Electronics Pack Which Includes:
