- Brunswick Passport Premier Warranty transferable Approx 4 years left

### Power Boat Guide Description

Bowriders are the most popular boats on the market these days (2016), and the Sea Ray 350 LXS is one of the biggest and best. Stay out longer, invite more friends, and steer toward open water—

with a boat this large there are few limitations to your boating pleasure. The seating layout of the 350 SLX can accommodate as many as 14 people while underway. The bold styling is accented by extended side windows, and the stylish fiberglass hardtop features a large (optional) sunroof and a retractable sunshade that shelters the entire aft section of the cockpit. Not surprisingly, the huge cockpit of the 350 SLX is loaded with premium features including an actuating teak cockpit table that retracts into the floor. The double-wide companion seat opposite the helm swivels around to face the cockpit, and a large head compartment with VacuFlush toilet occupies the port console. Below the starboard console is a small sleeping cabin with single berth and standing headroom. Additional features include an extended swim platform with teak decking, convertible aft loungers, and transom entertainment system. Twin 300hp MerCruiser sterndrives deliver a top speed of 40+ knots.

## Manufacturer Provided Description

---

The Sea Ray 350 SLX redefines "day boat" to mean all day and then some. Comfortable seating for 18 passengers underway means connecting with friends, family, even generations. An array of Sea Ray's Next Wave™ innovations provide a superior experience, from the noise-quashing powers of Quiet Ride, to the precision and stability of Dynamic Running Surface, to the agility of Axius® joystick technology. And a host of intelligent features combine in a sleek, stylish package that far surpasses the typical

bowrider. Bow to stern, the 350 SLX is designed to ensure that all day unfolds your way.

## Key Features

- A superior ride & handling is further enhanced with optional Axius® Propulsion System w/joystick control and Dynamic Running Surface™
- Best-In-Class seating layout includes seating for 18 anchored by ergonomic, convertible aft loungers
- Revolutionary styling is accentuated by extended hull side windows and luxury-auto style upholstery
- Next Wave features are available for customization - including a Digital Dash and enhanced lighting package
- Plenty of Sun coverage via fiberglass hardtop w/optional extended sunshade
- Innovations, such as unique storage solutions throughout the interior and proprietary quietRIDE™ Technology - featuring Tuned Transom®, enhance the boater's experience
