SPECIFICATIONS

Overview

"CAVU" is a stellar example of the ever popular SeaRay 37 Sundancer. Her knowledgeable owners have shown great care for this boat and she is turnkey and ready for her next adventures. She has had the necessary (and expensive) exhaust updates professionally done that so many of the other 37's on the market are still in need of and with the addition of fresh manifolds and risers she is in top condition with just under 800 total hours. Her gleaming exterior, supple cockpit upholstery, and custom canvas are only matched by a like new interior that is both spacious and luxurious with her high gloss cherry cabinetry. Raymarine electronics including a C80 plotter and radar, generator with only 433 hours, shaft spurs, fresh batteries, polished stainless steel anchor, etc. are just a few of the many features that set "CAVU" apart and make her a must see!

Basic Information

Category: Cruiser

Model Year: 1999

Year Built: 1999

Country: United States
