SPECIFICATIONS

Overview

Absolutely drop dead gorgeous Beneteau 461.

This is one of the very successful Beneteau 461 models. This 3 cabin 2 head version offers great comfort for all aboard. There is a large queen up forward in a lovely large cabin complete with en suite head and shower. Aft, two spacious cabins offer great space and comfort. There is a separate head for these cabins. In the center there is a large salon with dining table to seat 6 or 8 and a wonderful large galley with all the amenities. This is an easy boat to sail short handed. Large and fast she is equipped with a 12 foot dinghy on aft davits. She also features air condition recently replaced in 2014 and a new generator in 2015. She has had the same owner for many years and is very well maintained, this is a lot of boat for the money. Ready to go sailing, just provision and pick your destination. See the list of new items and updates later on.
