Broker Remarks

Very clean and well maintained 38 Silverton Convertible powered by Twin 3126TA/385 HP Caterpillars with only 1162 original hours use (1,000 Hour CAT SERVICE DONE 2017), Bow Thruster, New (2017) major electronics (GPS,Fish Finder,VHF,Stereo)

Bold styling, roomy accommodations, and a versatile personality characterize the Silverton 38 Convertible, a handsome sedan cruiser with a cockpit large enough for serious fishing. With her wide 14-foot, 3-inch beam, this is a big 38-footer with the salon space of a much larger boat. There are two staterooms in the Silverton 38, and while the pedestal berth in the master stateroom is a bit high it conceals a washer/dryer unit under the bed. The guest stateroom, which extends under the salon sole, comes with a full-size hanging locker and twin single berths, and the single head is split with the shower to port and the sink and toilet to starboard. A full-service galley, three steps down from the salon, includes generous storage as well as hardwood flooring. While not specifically designed for fishing, the cockpit has two fish boxes in the sole and a storage box in the transom. (A bait-prep center was optional.) A molded staircase makes it easy to reach the flybridge, and a cockpit hatch provides access to the engine room.

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Manufacturer Brochure Description

"The Silverton 38 Convertible is part of the evolution in design and manufacturing that Silverton began in the late 90's. The lines are pleasingly fluid and the overall look is modern and inviting. Space allocation is taken seriously and no other 38 can offer the extended amenities found here. Two comfortable staterooms with innerspring berths will provide plenty of privacy and storage. A Corian-covered galley will swallow up all cooking and serving pieces with room to spare. A full complement of top-of-the-line appliances are standard and a real hardwood floor keeps maintenance to a minimum. The salon with the electrically-actuated sofa and opposing dinette is perfect for entertaining or just relaxing. Convertibles are designed to be very versatile and the 38 is among the best. The cockpit can be fished along with the best of them or handle a couple of lounge chairs. The standard wetbar can be outfitted with either an icemaker or a refrigerator, and there is a Fish Pak option that equips the 38 with a rocket launcher, rod holders, washdowns and a tackle center. Crowning all this is a large flybridge with plenty of seating and plenty of storage. The console can handle all electronic needs and the optional hardtop with integral electronics box can take even more. Silverton's bluewater heritage is evident in the hull design and the advanced engineering is obvious in the engine spaces"

Walk through

As you enter the salon through a glass slider to port is a convertible sofa and forward in salon to starboard is a U-shaped dinette; Down 3 steps to galley on the starboard side featuring ceramic stove top, microwave, 110/12 volt refrigerator, deep sink and good galley storage.; Forward of the galley is the head with vanity and toilet and split head arrangement with stall shower across companionway with access from companionway or from forward master stateroom. Master stateroom feature walkaround island queen, hanging locker and good storage. Interior is finished with cherry wood and beige/brown sofas, linens and off white carpeting in salon and wood in galley/companionway. Interior is in "as new" condition.

On deck there is a molded in "stairway" to the large flying bridge with helm and companion seat behind centerline helm and bench seat forward.

Cockpit features built in bait and tackle center with sink/storage to starboard and lockers built in under "bridge stairway".
