SPECIFICATIONS

Overview

"Singlehanded" is one of the most highly sought-after cruising designs. Gary Mull designed the free-standing rigged sloop to be handled solo, and the seaworthiness and ease of sailing have made this boat intensely popular. This gal was just refit in 2017, but is now being sold due to owner's change of plans. You have everything to gain from this boat!

Practical Sailor said of this model, "Probably the most distinctive thing you'll be getting in the Freedom 36 is the ease of handling. We can't imagine how you could get a 36-footer that sails well and make it any easier to handle. A lot of the joy of sailing is making the wind work for you, and the Freedom 36 gives you more return for your labor than any other boat we've sailed."

Full Excel Spreadsheet of Inventory List available upon request. Very thorough and organized.

The owners are meticulous and fitted her out with plans of long-term cruising, with focus on both safety and comfort. Among the updates are:

- Engine: replaced the alternator, low pressure fuel pump, mixing elbow, fuel lines, and belts.
- Regular maintenance on engine like filter and oil changes
- Replaced the cutlass bearing in 2017
- Sails: Reinforced the mainsail and jib professionally
- NEW stack pack and jib cover
- Replaced the top of the dodger's canvas
- Added a topping lift, serviced the reefing system, including removing and servicing the boom.
- Batteries: Replaced batteries with 2 AGM batteries in April 2017 totalling ~400Ah
- Ground tackle: Replaced ground tackle with a 44lb Rocna and Lewmar windlass. It's brand new and working great.
- Autopilot: Just installed a brand new Garmin autopilot that talks to our Garmin chartplotter
- Replaced battery monitor, galley faucet, water accumulator, shower pump (which has never been used!), seal on the head, and bilge pump
- Bilge is clean and pumps run well.
- Replaced propane line and regulator.

- ePIRB, Iridium, harnesses/tethers/jacklines and a ton of extras onboard.
- Added an outboard lift arm
- Inflatable 8'5" Achilles dinghy and 6hp Tohatsu outboard motor included.
- Includes rail-mounted propane Magma grill in the cockpit.
- Previous owner added HVAC system that works on shore power.

This boat won't last in the current market. It's clean, well loved, and ready to go. Buy today, sail to the Bahamas tomorrow.
