SPECIFICATIONS

Overview

CALL BROKER FOR PRICE LADY SARA has been arrested by the US Marshals Office. The yacht is being well cared for by a diligent crew with a sensible budget. The 5-year ABS survey was completed in March of 2017. Her layout consists of six guest staterooms, including an enormous on-deck deck master suite. Entertaining areas on all three decks, each with their own bar. A gym and hot tub are located on the sun deck.

Inspections are available upon request to qualified customers.

DETAILED INFORMATION

WELCOME

Lady Sara is an elegant 186' Trinity Motor Yacht with accommodations for 12 guests in 6 staterooms and 13 crew members. Entertaining areas on all three decks, each with their own bar. A gym and hot tub are located on the sun deck. Boarding entrance is at starboard midship through large double doors opening to the main deck foyer.

MAIN FOYER

The focal point of the main foyer is a stunning spiral staircase leading up to the Sky Lounge and down to the lower deck Guest Staterooms. On either side of the staircase, floor-to-ceiling Burl wood panels conceal a large wine storage area with EuroCave wine refrigerators. To starboard is the main deck day head.

MASTER SUITE

Forward on the main deck are double doors leading to the Master Suite. To Starboard is the Master office, separate from the rest of the suite. A small hallway with a walk-in closet (with personal safes) leads to the stateroom, furnished with a king-size bed and seating area with settee and coffee table. A large TV opposite the berth is cleverly concealed with artwork panels. Large hull side windows with electric shades to port and starboard, and layered lighting throughout.

His & hers heads are appointed with hidden TVs, vanity sinks, enclosed glass showers, and full-size, hull side windows with electric blinds, as well as built-in cabinets with ample storage. Her head is located to port and also includes a full-size jacuzzi tub. His head, to starboard, also includes a drink refrigerator cabinet.

MAIN SALON

The Main Salon seating area is appointed with loose furniture, including two sofas and two armchairs around a large circle coffee table. Layered lighting and Burle wood cabinet storage throughout. A few steps away from the seating area is a full-service bar with ice maker, refrigerator, freezer, and additional seating for five guests. Just aft of the bar are curved glass doors that open to the aft deck, creating an indoor/outdoor atmosphere.

FORMAL DINING

The Formal Dining area and Main Salon are separated by a buffet counter, which also houses the TV and lift system. A concealed TV separates the dining area from the main salon. A rectangle table comfortably seats 12. The galley service entry is located behind the table, to port.

GALLEY

The Galley is located just off the main foyer and is equipped with six full-size refrigerator/freezers Miele appliances.

GUEST STATEROOMS

Heading down to the Guest Staterooms through a curved stairway in the main foyer, there is a stateroom in each corner to port and starboard, fore and aft. All staterooms have a queen-size berth with twin nightstands and reading lamps, large hull side windows, a desk and chair, and large hanging locker. Each has an ensuite head equipped with his & hers glass sinks, a glass enclosed water closet, and showers with bench seats and frameless doors.

SKY LOUNGE

The Sky Lounge is very unique on LADY SARA due to a forward guest stateroom. Perfect for night-owl guests, it is outfitted with a double berth, hull side windows with electric blinds, and ensuite head.

Ideal for entertaining, Sky Lounge has three conversation areas with settees, loose armchairs, and coffee/cocktail tables. The focal point is a U-shaped, full-size bar with seating for six. The Sky Lounge is also equipped with a drop down tv to port, and a guest day head. There is access to exterior stairs leading up and down the vessel.

WHEELHOUSE

Just forward of the Sky Lounge is access to the Wheelhouse. This is a spacious area with three Stidd pedestal helm and companion chairs, a settee with pedestal mount table, and a crew service way. Behind the helm is a private radio and communications room large enough to serve as an office and A/V equipment storage.

SUN DECK

Accessed via the Wheelhouse or an exterior staircase, the Sun Deck is home to a third bar, large jacuzzi with a lounge area and sunbed.

Forward, is a semi-enclosed, fully-equipped gym with a juice bar and stainless-steel grill. In the far aft section of the Sun Deck is a davit and storage for a small tender as well as a few personal watercrafts. Day head is located by the bar.

AFT & UPPER DECKS

The exterior dining areas on both the Aft Deck and Upper Deck of the vessel are equipped with security cameras, service cameras, overhead air conditioning, and overhead flush mount lighting. The Aft Deck has a circle teak table with leaves to accommodate up to 12, while the Upper Deck has a dining table for 10. In addition, each deck has separate conversation areas with loose furniture.

CREW ACCOMMODATIONS

Interior access to the Crew Quarters is through the Galley. The Crew Lounge is outfitted with an L-shaped settee/dining area. Cabin arrangement consists of four nearly identical rooms with upper and lower berths, with a fifth crew cabin to port of the lounge area. Each has a built-in desk, private head with a toilet, vanity sink, and shower. All cabins are outfitted with hanging lockers and built-in drawers. Just aft of the cabins is the laundry area and storage cabinets. The service passageway stairs lead up to the main crew mess and Captain's Cabin, equipped with a double berth, hanging locker, builtin desk/workstation, large head, and large hull side fixed windows. This cabin is well suited for couples. Finally, located at the aft of the engine room, the engineer quarters have two single berths with a high and low arrangement. The room includes hanging lockers and built-in drawers.

Exclusions

Owner's personal belongings.
