---

## Manufacturer Provided Description

---

The striking contemporary exterior of the F490 is inspired by the simplicity of modern British design, from the large flybridge to the light filled upper deck.

The Sealine F490 is considered to be a true sociable cruising craft, available with 2 flybridge layouts. On entering the cockpit, you'll notice the dramatic beam to length ratio and ample space complete with wet bar for sociable entertaining.

The main deck is light filled with stunning 360° panoramic views from the saloon, a huge wrap around windscreen at the helm and to the port side, two forward facing seats for fellow passengers to enjoy the view or an optional dinette area for dining in style, thus giving the impression of being on board a much bigger craft. On the lower deck in the heart of the boat, the atrium floods the fully equipped galley with light.

The mid cabin offers a choice of 4 flexible layout arrangements from the L-shaped sofa for comfortable dining, an office with one bunk bed, 'U' shaped dinette seating or a two bunk bed cabin option.

The F490 design focus is lifestyle and sociable boating for all on board, backed up with proven technology, which includes joystick control to easily manoeuvre the boat.

---

## Exclusions

---

Owner's personal belongings.
