Overview

If you are in the market for one of the greatest little catamaran coastal cruisers ever built, then look no further. "Ocean Spirit" was one of the last Fountaine Pajot Mahe 36 Evolutions to leave the factory! She has been professionally maintained by the West Coast Multihulls charter fleet for the past 3 years and has never been bareboated. Used for classes and the occasional 3 hour tour, she shows like new! Skipped and maintained by one of her owners with pride, she is actually better than new! The 3 cabin one head and shower layout lends itself as a great family cruiser or keep her in charter and make money. Due to an EPA recall she has 2 Brand New Volvo 30 engines with less than 300 hours! Owned in an LLC so no SALES TAX! Nothing like it on the West Coast, so better call now.
