- (2) trumpet style air horns

Electronics & Navigation Equipment

- (2) Garmin GPSMAP 7212, touch screen Multi Function Displays w/GPS chartplotter, sonar, radar, XM weather
- Garmin GMR 1204 XHD, 12kW, 72 nm radar w/4' open array
- Garmin heading sensor
- Garmin GXM51 XM weather receiver antenna
- Garmin GSD26 depth sounder w/B265LH transducer
- Furuno RD33 digital depth finder/sea temperature digital display
- SmartCraft Vessel View displays with integrated autopilot
- (2) Icom IC-M504 VHF transceivers w/separate antennas
- Ritchie lighted compass
- Moritz safety monitoring system w/audible & visible alarms: fire, engine room temperature, high water, exhaust temperature, oil pressure, generator
- KVH M3 Satellite TV system w/receiver

Engine Room & Mechanical Equipment

- Twin Cummins Mercruiser QSC 8.3, inline 6 cylinder diesel engines rated at 600 MHP @ 3000 RPM
- Zeus 3800 aft facing dual propeller pod drives w/stainless steel propellers & ZF gears w/ 1.79:1 ratios
- Gulf Coast model FPS 120B fuel polishing system (Custom)
- Racor fuel water separators w/vacuum gauges for main engines & generator
- Fuel priming pumps
- Electric oil change system
- Trolling valves
- Foam core engine room ceiling for acoustical & thermal insulation
- Engine room ventilation system w/supply and discharge fans for fresh air supply & water intrusion suppression
- Fire suppression system, automatic or manual operation linked to main engines and generator ignition systems w/override
- Bilge pumps linked to monitoring system w/float switches for automatic & manual operation
- Hydraulic actuated steering
- Idle & low speed exhaust relief for reduced vibration
- Fresh water supply in engine room
- DC pressurized fresh water system w/on deck fresh water fill & dockside water connection w/pressure reducing valve
- Internal sea strainers
- Bronze ball-type seacocks for all thru hulls below water line
- Quick recovery electric water heater
- Cruisair reverse cycle air conditioning system, 16,000 btu command deck, 16,000 btu salon & guest stateroom, 8,000 btu master stateroom
- Cruisair compressor for cockpit freezer

Hull & Construction

- Awlgrip engine room, lazarette, forward bilge and anchor locker for enhanced visibility and easier maintenance
- Blister resistant modified epoxy resin in entire hull skin
- Custom blended polyester resin used in structural laminates, top-sides, bridges, and hardtops
- Fiberglass side thru-hulls
- High performance isophthalic gelcoat for superior gloss, flexibility and outstanding weathering characteristics
- Vacuum bagged end grain balsa core in hull bottom
- Hull interior, isophthalic gelcoat top-coated with a durable high gloss polyurethane coating

- Resin infused cored composite construction, uses end grain balsa and closed cell foam cores in selected areas for optimized strength and stiffness while minimizing weight
- Infused fiberglass fuel and freshwater tanks with fiberglass baffles, balsa coring in sides for stiffness, sealed to the hull with resin foam
- Laminated end-grain balsa core in hull side and top-sides
- Fiberglass encapsulated foam stringers
- Vacuum bagged composite bulkheads – Main engine room bulkhead, intermediate engine room bulkheads
- Custom additional boot stripe
- (2) LED underwater lights
- Integrated trim tabs to Zeus pods

Electrical Equipment

- Cummins Onan QD 9kW generator w/680 hours
- 24 Volt DC electrical system, 220 Volt AC electrical system
- (2) independent AGM 24V battery banks mounted in fiberglass boxes
- Mastervolt Mass Combi 24/2500-3 60 amp battery charger
- Mastervolt Chargemaster 24 Volt battery charger
- Battery distribution panel w/battery cutoff & charging system breakers
- Battery parallel system for main engines & generator start
- Central bonding system w/ground plate
- Color-coded, labeled & numbered wiring system w/corresponding drawings
- 120V duplex receptacles w/GFCI throughout
- Charles Iso-Boost 50 isolation & automatic boost transformer

Remarks

The owner is highly motivated to sell, new boat on order. \$50,000 PRICE REDUCTION!
