DETAILED INFORMATION

Langara Overview

LANGARA, an Alen 55', a design that has proved wildly popular on the French and Italian Riviera, is presented for sale in perfect condition by her original owner. The yacht's timeless, traditional design has built-in practicality. Her center console, walk-around deck and deep bulwarks create a safe, spacious environment where guests are 'in' rather than 'on' the deck. Whether they are at the helm, cooking or simply relaxing, everyone can be together.

This fast, sexy boat is ideal for exploring. She is the perfect Day Boat. Easy to maneuver with powerful bow thruster and twin Volvo power. LANGARA will give you, your family and friends the perfect day out on the water. For more intimate groups, she is also the perfect weekender with elegant and stylish accommodations for 4 people in the two staterooms below.

The 'galley' and 'saloon' are on deck. Protected by high bulwarks, the full 'walk around' offers plenty of space. Sun loungers forward and aft. A comfortable conversation/dining area seats 8, aft of which is the full hidden galley. The helm is shaded by a T-Top and a custom removable sun shade extends over the whole aft areas.

Water access is superb. The swim platform aft conceals the boarding passerelle which doubles as a swim ladder. Lockers conceal the water toys and a full dive compressor.

Alongside the helm, a staircase leads below to a lobby area. To starboard is a full bathroom with separate shower. A settee is to port.

Aft of the lobby is a twin guest cabin and forward is the owner's stateroom with a center line queen size berth.

These accommodations are beautifully finished with a bright, clean and stylish feel. Cabinetry is white laminate, wall and ceiling panels are white leather, the floor is teak and

all hardware is stainless steel.
