Model: QSM-11

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

WEHR NUTS has the favored Plan A layout. The large "U" shaped galley is aft to starboard and across from the L-shaped settee with folding Hi-Lo table to port. A custom cabinet with book shelves replaces the standard recliner. With the table lowered, the settee converts to a double berth. Walking forward through bi-fold doors is the stateroom with double berth, lots of storage and built-in flat screen TV. The large head with separate shower stall has access from both the stateroom and salon. The elevated bridge deck allows for excellent visibility and has seating for six. The large cockpit is set up for cruising or light fishing with built in bench seat forward with engine room access beneath. She has the fold down transom seat, transom door w/gate, cool box and fish box in deck. WEHR NUTS is also equipped with factory hard top and full enclosure. She has a navy blue hull with swim platform.
