## Overview

Southern Miss offers the very rare opportunity to own one of Viking's most successful models ever built in its time that has only had two owners since it's factory delivery. Both very knowledgeable owners, previous and current who always kept an open checkbook maintenance program. Hull 61-540 has not been on the market since 2006 and since then has received a complete paint of the hull and the topside including a re-bed of windows and faux teak transom in 2012. In 2016 Southern Miss received a new electronics package by AME Electronics. Southern Miss is a well- balanced excellent family fish and cruise 3 stateroom, 3 head, 61 with the preferred VIP crossover forward berth arrangement. It features a large U-Shaped Sofa in the salon, Teak and Birdseye Maple flooring at the salon entrance and galley, raised electric panel in the salon, and the newer 61 style athwartship Master Bed offering large his and hers walk-in closets aft. Southern Miss is equipped with an Eskimo Ice Machine, 600 GPD Watermaker, Bluewater Helm and Fighting Chair Upgrades, massive refrigerated storage and freezer on the flybridge . Southern Miss is powered with DDC/MTU 1480's will provide a comfortable 32 knot cruise with plenty of range and space from her tournament winning cockpit to expansive salon for owners and guests to perform and relax with more than ample accommodations that the 61 Viking's known for.
