## Overview

---

**\*\*\*Voted "Motor Boat Of The Year" by *Motor Boats Monthly*\*\*\***

Beneteau's Swift Trawler 44 is a stunning combination of everything that contributes to the joy of cruising with the comfort and performance of a much larger yacht. Truly at the top of its class, the new Beneteau ST44 outshines the competition in every category.

Powered by twin Volvo Penta D4 300hp diesel with bow and stern thrusters, she will cruise effortlessly at 18 knots (**burning just under 1 gallon per nautical mile**) with a top speed of 25 knots (WOT). **Even at wide open throttle, the ST44 still only burns around 1 gallon per nautical mile** -- amazing fuel efficiency, made possible by her brilliantly engineered hull design, which boasts maximum stability and an impressively comfortable ride even in rough conditions.

Style? She has plenty of it, from her elegant European fit and finishes to her light and spacious living areas with breathtaking views in every direction.

For a detailed 3rd party look at the ST44, visit [boattest.com](http://boattest.com) and see what Captain Steve had to say. (He absolutely admired it!)
