SPECIFICATIONS

Overview

The Stuart Angler 32' is a custom made boat that is very highly sought after by fishing guides and experienced anglers alike. The hull design combined with the single diesel along with her 11' beam make it very comfortable and economical to run to the fishing grounds. When at anchor or adrift, she provides one of the most stable platforms in the business.

Potsdam went to L&H Boatworks in Stuart, FL in 2011 and underwent a 2 year complete refit from the hull up. The entire boat was gutted and rebuilt at L&H. All new bulkheads, deck and superstructure, wiring, new remanufactured 370B Cummins engine and new electronics.
