Deck

The deck is very well designed for ease of sailing short handed with all lines lead aft to the cockpit and the strategic placement of an electric winch that can be used on any line.

Visibility from the helm is excellent and access to the dinghy davits, outboard and cockpit table are simple and effective for comfort.

The cockpit bimini and full enclosure are new and very professionally designed to be strong and and practical in use.

Galley

The Galley is very functional and has added refrigeration over standard configuration. There is custom tile work and accents throughout the boat that have been very well thought out and executed. Unique

Sails & Rigging

Rigging, both standing and running has been well upgraded and professionally checked for any condition issue.
