SPECIFICATIONS

Overview

Lesser boats scurry from her path like commoners making way for royalty. Respectful boaters pause for a deep breath of envy. Billfish seem to be attracted like fencers honoring a formidable opponent. Awe and adrenaline, nothing summons them like a sign of the 40+ mph* Bertram 60. A fishing fortress with the comforts of a luxurious home on the water. This spectacular sportfisherman boasts a plush and cavernous salon fitted with every conceivable amenity as well as a spacious Eurostyle galley up configuration. She has all the amenities of a penthouse, with a view that changes with just a touch of her throttles. More nimble and much faster than her size would seem to permit, the 60 will dance every dance out on the fishing grounds without breathing hard. But what awaits an angler's sore shoulders after a day of wrestling with a grander? The first-class comfort of the owner's suite, of course. The gentle massage of a spacious stall shower. Capped by a soothing embrace of a queen-sized berth.
