SPECIFICATIONS

Overview

The Benetti Classic at 115ft is a very large volume yacht for her length. PARADIGM has the five cabin layout accommodating up to ten guests. Over the years PARADIGM has seen some significant improvements in her machinery including new generators, the addition of zero speed stabilizers etc. In addition, more subtle modifications have been made. Her transom now opens further than all of the other boats, making access to the lazarette much more convenient and improving tender and toy handling. Upgrades to both the interior and a brand new galley have made PARADIGM a standout yacht in this very popular series
