## Remarks

---

**\$30,000 PRICE REDUCTION! NOW ASKING \$219,000** I challenge you to find a cleaner, more customized, better maintained 36 Grady Express (AKA 370 Express) anywhere in the world! "DOWNTIME" is equipped with the must have, triple 350 Yamaha power package needed to achieve peak performance on the 36 Grady Express. She has been impeccably maintained by a very knowledgeable and fastidious owner since purchased spring of 2010 with 100 hours. She has 936 hours currently with meticulous maintenance records. She is lift kept, with bottom paint and has been fully waxed and detailed every three to four months religiously for her entire life! The sea keeping ability, overall quality and versatile layout of the Grady- White 360 Express is legendary. Make your appointment to see "DOWNTIME" today. She will NOT disappoint. Below please find a descriptive walkthrough and list of her features, highlights, upgrades and customizations.

## Recent Upgrades

- 2 Blue Ocean LED Underwater lights at Transom
- Custom Stamoid Covers - Port, Aft, Helm Chairs, Rocket Launcher, Outboards

## Walkthrough

### Cockpit

The second you step inside the cockpit of the 36 Grady White DOWNTIME you immediately feel the 13'2" beam. The layout is exceptional and versatile. She can accommodate a crew of hard core fishermen or multiple families for extended cruising fun. Some of her highlights include:

- Deck hatch to aft bilge and 8KW Fisher Panda Diesel generator(25 Gallon diesel tank)
- Transom flip up seat
- Huge transom temperature controlled fridge/freezer/fishbox
- Transom door with liftgate and walkthrough to platform with dive ladder
- Custom transom rod holders (2)
- Transom FW shower with a new shower head
- 12V electric reel outlet for kite fishing or deep dropping
- Premium JL audio sound system with 2 subs and 4 outside speakers
- Battery switch access through port door
- Batteries and upgraded charger access though port hatch
- Custom Pompanette rocket launcher
- Under gunwale storage customized to be more functional
- Port side fwd versatile temperature controlled deep freezer or refrigerated drink box
- Port side storage compartment
- Stbd side live well and sink/bait prep center
- Stbd side tackle storage customized to be deeper and more functional
- New vinyl cockpit combing pads
- New rubber gasket trim work around helm deck base

### Helm Deck

Two steps up from the cockpit bring us to the highly customized, climate controlled helm deck. The customizations and attention to detail put into this area add great value and further separates DOWNTIME from any other Grady 360 Express available. The starboard side guest seating has all been recovered. This L shaped seating has a middle section that can drop down for face forward leg room and also an alternate table that can flip up for dining convenience. One of the crown jewel upgrades aboard DOWNTIME is the custom Pompanette Platinum

series companion seat on the port side helm deck that replaces a padded cushion. Her other features include:

- New Strataglass 2018 (\$6,000)
- Custom SEA DECK panels at the helm station
- Stbd side storage drawers
- Overhead life jacket storage
- Upgraded TACO 370 Grand Slam Outrigger bases

The helm deck features a full array of marine electronics including:

- (2) RAYMARINEe120 multi-function displays that have Chart Plotter, Fish finder/depth sounder, and Radar functions
- RAYMARINE 10KW open array radar antenna
- RAYMARINE smart pilot auto pilot (newer upgrade)
- AIS vessel tracking and identification
- SIRIUS satellite weather
- KVH M5 Direct TV Satellite antenna, watchable from the cabin TV and through the RAYMARINE E120 at helm
- ICOM 502 VHF radio
- RAYMARINE VHF radio in the cabin with remote mic at helm
- Sidepower electric BOWTHRUSTER controls
- ACR search light controls
- Trim tab controls

Port side forward on the helm deck is the sliding door, which also has a screen that will lead us down to the climate controlled lower accommodations. A new cabin AC unit was done in 2018.

The layout down below is spacious and versatile. There is a great deal of functional storage with no wasted space. As you come down the stairs you can't help but notice the beautiful teak trim, teak and holly cabin sole and the tasteful décor. All of the fabrics and furnishings have been recently recovered and upgraded.

The galley is immediately to port. It features everything a shipboard gourmet would require:

- Two burner electric cooktop
- Microwave convection oven
- Corian countertops
- Ample storage drawers and sliding compartments for utensils, food and miscellaneous items.
- UPGRADED Isotherm refrigerator and freezer drawers
- Owner added custom nonskid material where applicable and a SEA EDGE to make storage where there was none prior

To starboard is a full head with a custom teak baton floor. The raised teak floor is both aesthetically appealing and functional for drainage. Sink, corian counter top, Vacu Flush toilet, vanity, storage and a new light weight easy dry shower curtain round out the head highlights.

Stbd side midships is a large U shaped dinette. The dinette has been re-covered. It lowers to create an additional large sleeping berth. There is storage underneath the cushions, storage cabinets above and an owner customized "sea edge" added above the cabinets for additional storage space.

Aft is a large sleeping area with custom Sunbrella covered mattresses. There is a privacy curtain that can be drawn to separate from the salon. Stbd side access panels smartly enable you to get to outboard ship systems. The custom mattresses can be removed and the space used as a carpeted storage if needed. Overhead rod storage has been added as well. There is a sliding door neatly tucked in at the entrance of the stateroom that has been customized with storage shelves.

All the way forward of the Dinette and Galley is the main raised twin sleeping berth. It is open to the rest of the boat but does have a privacy curtain should it be needed. There is also a beautiful glass partial partition with an etched design of a breaching marlin that lights up. The trim work has all been re-covered and a custom Grady White logo was stitched into the fore peak bulkhead. The custom Sunbrella covered mattresses can be moved to access yet another large storage area. Port side there is a flat screen tv with direct tv programming and shelving.

### **Engines, mechanical and electrical**

- (3) 350 HP Yamaha 4 stroke outboard engines 936 hours 6/18
- Last flywheel and ECM update was 7/15 at 666 hours
- Meticulous maintenance records available for inspection with accepted offer
- New sea star hydraulic steering rams 2018
- New fuel priming balls 2018
- 8 KW Fisher Panda Diesel generator with 25 gallon diesel tank 908 hours 6/18
- Electric bowthuster (new joystick control) - 2018
- Electric windlass, bow pulpit and anchor
- LED lighting upgrade throughout interior and cockpit spreader lights, blue cockpit and under gunnel lights
- (2) Ocean LED UW lights (blue)
